WOLFVILLE, NOVA SCOTIA, FRIDAY, OCTOBER 29, 1920.

\$1.50, payable in advance.

Ken-Wo Country Club Visited

Finest Golf Course East of Montreal

Through the courtesy of Mr. J. E. Hales, a representative of THE ACADIAN motored to New Minas on Tuesday and had the pleasure of a trip over the Ken-Wo Country Club Golf Course. The club, which derives the name from Kentville and Wolfville jointly, has been organized to promote golf, tennis, and other sports. The property, situated on the main road midway between the two towns, was formerly the southern part of the late C. Henry Turner's property, and was purchased from Mrs. E. Le Roi Willis. It approximates 225 acres, comprising timber and pasture land. The ground is admirably adapted to the purpose, being of an undulating character and yet free from any steep or excessive climbs.

We were shown over the course by Mr. Arthur Boswell of England, who is superintending the work. Mr. Boswell is a competent golf architect, having been intensely interested in this work since he was ten years of age. He holds the record for the longest driver in the world, having won the world competition in golf three times: in 1908, 403 yards on the roll; in 1910, 397 1/2 yards on the roll; and in 1900, 282 yards on the carry. He has laid out courses in Canada, United States, Australia and South Africa, this being his 104th course. He is therefore competent to judge, and knows whereof he speaks when he says this is by far the best course east of Montreal. Mr. Boswell served in the Australian Army five years during the world war, being one of the prisoners who escaped from the Turks. The Ken-Wo Club is indeed fortunate in securing his expert services.

Walking down the fine winding driveway, we came to a lovely knoll, with a picturesque background of spruce and birch trees, and faced a panorama of beauty hard to excel. This we were in

house, just below and a little to the west is the tennis courts site—of which there will be four. We then proceeded back over the course from hole 9, visiting each green. The eighth hole is called 'Boswell's Special, which the architect says, with pardonable pride, is the finest in the Dominion. The seventh green will have two water hazards. The fifth green is noted for its loveliness, looking up a deep canyon. The start of the course is a picturesque hole to the players, and one which has received much attention. There will be five blind holes on the course. Green No. 1 and 2 have been seeded, and the work is progressing well.

Taking the course altogether, it is one of the loveliest bits of scenery imaginable, and the Ken-Wo Club has every reason to be enthusiastic over acquiring this fine and very valuable property. In 1923 it is proposed to have a Canadian Open, when visitors will be given a revelation of the wonderful scenery of the Valley, and a demonstration of what can be accomplished by united effort on the part of a live organization.

The officers of the club are as follows: Hon. President: Lady Townshend, Wolfville.

President: George E. Graham, Kentville.

Vice-President: W. C. B. Harris, Wolfville.

Treasurer: G. W. Munro, Wolfville.

Secretary: Mrs. H. D. Johnson.

Directors: J. R. Murphy, Capt. Holland, Geo. C. Roy, Kentville; J. E. Hales, P. Halsey, Wolfville.

A representative of THE ACADIAN paid a visit to the waterfront yesterday. One schooner only was in port and it was unloading coal at R. E. Harris & Sons' wharf. The above firm have spent a considerable sum in repairing their wharf which is now in splendid condition. The wharf has been greatly enlarged and built very strongly. The old part has been filled in with brush and rock so that it makes a solid mass, and the wharf is so built that it will be impossible for the tide to carry away any of this material. An up-to-date coal shed had been built on the wharf and unloading is done by means of a gasoline engine. It is the intention to install an electric motor in the near future. The coal is carried into the shed by means of a truck and dumped into the various bins. The shed has a storage capacity of upwards of one thousand tons.

Canada is as large as thirty-three Italy.

Acadia Defeats Wanderers

In Closely Contested Game of Football

The Acadia fifteen won from the Halifax Wanderers in Saturday's game by a score of 3 to 0. Neither the Acadians nor the Wanderers played their strongest combination, but the game was a very close and exciting one, and no score was made until late in the second half. Dr. DeWolfe refereed the game. The game opened when McLeod, for Acadia, kicked off in the face of a strong breeze. A well aimed punt by Johnson was returned by Edwards, and a long series of scrimmages ensued on the Acadia twenty-five yard line, in which the College men only slightly excelled but Corey eventually got the ball into the centre line, where the Wanderers resisted stubbornly. Pressure on the Wanderers goal line was eventually relieved by touching down. This was followed by good work on the part of the Red and Black forwards who forced the ball back into the home territory. Johnson improved Acadia's position with a corkscrew dash, but the Wanderers' tackling was wonderfully good and did not let them get away with much. Just before half-time one of the players was slightly injured, causing a brief stoppage. Half-time arrived with no score.

After the resumption of the play Acadia had the advantage of the wind and kept the Wanderers on the defensive practically throughout the rest of the game, the visitors hardly getting beyond centre more than two or three times. A penalty awarded against them on their own twenty-five yard line was almost converted into a goal for the home team by Beardsley. Shortly after this Johnson ploughed his way over the line, in the corner, making the first and only score. Beardsley again failed to convert. The remainder of the game was a continual scrimmage near the Wanderers' line, but their defense

struggle, Acadia one try, Wanderers nil.

The visiting halves and quarters tackled well, but had no chance to show their speed. The College band furnished lively music during the game.

The players were:

WANDERERS.		ACADIA.	
Full Back.		Corey.	
Halves.		Johnson	
McLeod	Porter	Clark	
Lane	Beardsley	Sutcliffe	
Quarters.		Robinson	
McCoy	Grimmer	Anthony	
DeYoung	Young	Schwartz	
Forwards.		McDonald	
Studd	Young	Schwartz	
Wigmore	Wetmore	Simpson	
Simpson	McLeod	Monaghan	
Briggs	Fleming	Schwartz	
	Atkinson		

After the game the Acadia students, headed by the band, paraded down Main street and returned in funeral procession, bearing the corpse of the vanquished team.

Minard's Liniment for Burns, Etc.

Nova Scotia's Vote

Shows Overwhelming Majority in Favor of Keeping Out "Booze"

Monday was an ideal day for getting out a big vote and the result from all over the province shows that temperance people were active and that they had the support of the people generally in the effort to rid Nova Scotia of the liquor traffic.

Figures at hand indicate a majority against allowing the importation of intoxicants of upwards of 50,000, of which Kings county contributed over 5,000.

Wolfville did her share in the good work and our town has no reason to be ashamed of the result. Much good work was done and a large proportion of the votes were polled.

Unlike other elections there was no demonstrations when the result was announced. In Wolfville the day was a busy one and splendid assistance was given by citizens in the work of getting voters to the polls.

The vote in Kings Co. by polling districts was as follows:

P.D.	Place	Yes	No
1	Sheffield Mills	194	31
2	Canning	203	26
3	Kingsport	117	18
4	Scotts Bay	130	10
5	Canard	186	10
6	Port Williams	299	49
7	Centerville		
8	Upper Dyke	404	86
9	Lakeville		
10	Brooklyn St.	236	34
11	Somerlet	298	15
12 & 12 1/2	Kentville	460	183
13	Canaan	118	32
14	Gaspereau	225	12
15	Grand Pre	217	37
16 & 16 1/2	Wolfville	659	106
17	Avonport	157	14
18	Lockhartville	136	14
19	Millville		
20	Greenwood	172	23
21	Kingston	100	19
22	Dalhousie		
24	North Kingston	129	67
25	Cambridge	234	65
26	Berwick	456	29
27 & 28	Harborville	132	23
		6,042	892

THANKS!

To the Editor of THE ACADIAN:—Dear Sir,—As secretary for the County Social Service Organization in Ward 8, I would like through the columns of your paper to thank all the willing workers who labored so earnestly and faithfully on Monday the 25th, thus materially assisting in securing the splendid majority of over five thousand for Kings County in the Referendum vote of Monday the 25th. I would specify those who acted as scrutineers in the polling booths and outside, also those who unflinchingly used their autos and teams, and all who in any way assisted in achieving such a magnificent victory for prohibition.

Yours truly,
W. H. WATTS

King Alexander of Greece died on Monday evening. His death was due to wounds which he had received in an attack on him by a pet monkey early in October, the King being badly mutilated.

Civic Club Lecture

Hear Rev. Dr. MacDonald on Citizenship

On Friday evening of next week, Rev. Dr. MacDonald will deliver the first lecture in the course arranged by the Civic Club for the coming winter. The lecture will be given in the Council Chamber and every citizen is urged to be present. Dr. MacDonald's subject will be "Some Fundamental Principles of Citizenship", and it is needless to predict that the lecture will be an interesting and valuable one. Every citizen should keep the date open and make a point of being present at the Council Chamber next Friday evening. The lecture was to have been delivered this evening but was postponed on account of the "faculty recital".

FOOTBALL NOTES

A game of football was played on the College campus Wednesday afternoon between the Academy team and Kings Collegiate School. The Acadia boys easily outplayed the Windsor boys and won by the score of 13 to 0. Dr. DeWolfe acted as referee.

The Kings College football team went on a trip to New Brunswick last week. On Friday they played the Mt. Allison team and the game resulted in a draw, neither team being able to score. On Saturday the Kings men went down to defeat before the Moncton team by the score of 16 to 0. From there they went to Fredericton where they played the University of New Brunswick boys on Monday. This game resulted in a win for U.N.B. by the close score of 6 to 3.

The first game in the Eastern Inter-collegiate Football League was played at Halifax on Wednesday when Dalhousie defeated the St. Francis Xavier team by the score of 5 to 0.

The first game in the Western League will be played to-day at Sackville between Mt. Allison and U. N. B.

Since the Wanderers game the Acadia boys have been practicing and are doing all that is possible to get into the best of shape for the big game in Fredericton, Nov. 3. There are still a number of men on the "retired" list for the time being, but are rapidly getting into shape and will all be out for the last three practices. Parker is already back in his place at full.

A WORD TO THE WISDOM

Considering the phenomenally dry summer, and in fact the whole season, it ought not be necessary to caution citizens against the waste of town water and to ask that all reasonable means be taken to conserve the supply. Thanks to our excellent source of pure water Wolfville people have had plenty for every need at a time when in many sections a very decided shortage has existed. However, it is just as well for citizens to understand that with the possibility of a continuance of present conditions there is no water to waste, and it will be the sensible thing for every citizen to endeavor as far as possible to be reasonably economical. There has been practically no rain during the whole season and it will require a prolonged downfall to make any appreciable effect upon the water supply of the country. A word to the wise ought to be sufficient.

An Interesting Report

To the Executive of the Kings County Boys Work Association

Sirs:—At the last meeting of this Executive I reported the progress of the work up to the end of Dec. 1919. From that time up to July 1st, 1920 we may be said to have been marking time.

Regular monthly meetings were held in Kentville and Wolfville and a number of "hikes" and "excursions" were held throughout the winter and spring. The Kentville boys paid several visits to Wolfville and played games of hockey, basketball, etc. This has done much to keep up interest in the movement and stimulate a feeling of friendly rivalry; but more especially has it served to promote our slogan "Clean Speech, Clean Sport, Clean Habits."

The older boys of Kentville, Canning and Wolfville continued the baseball league and played an interesting series of games.

Early in July a field day was held at Wolfville in which boys events took an important place; due to insufficient time for organization the number of boys taking part was not large; but the interest was keen and showed what can be done next year. The Scout events were won by Wolfville and the Athletic events by Russel Whitman, a Hantsport Scout, who carried off the handsome cup presented last year by this association.

During the latter part of July visits were made to Berwick, Waterville and Canning with the object of having some of the boys from these places attend camp. The Scout organization in these places had been allowed to languish due to insufficient time on the part of the leaders to "carry on"; but the boys were found as keen as ever.

The first part of August was devoted to arranging for the County Camp at Sunken Lake. Three acres along the north shore of the lake have been purchased by the Wolfville Association. The money for this purpose was given by Dr. M. C. Smith, of Lynn, Mass. Boats and other equipment had to be moved from the

expeditiously and without expense. A large marquee and 3 bell tents were borrowed from Halifax and these together with the tents owned by the Wolfville boys furnished ample accommodation.

From Aug. 16th to 23rd we had a few of the Wolfville Scouts at work cleaning out places for the tents and otherwise getting things ready for the large camp which opened on Monday, Aug. 23rd. On that date 75 boys and leaders were in attendance. With the exception of Kentville, where a cadet camp was being held, the county was well represented. Without doubt this was by far the most successful camp that we have ever held. There were no accidents, sickness or trouble of any kind. The camp site is ideal and when properly cleared up and equipped will be equal to anything in Canada.

The cost to each boy for the week (Monday to Monday) was \$5.00 which left a total deficit of only \$5.06 as follows:—

Total Receipts	\$352 74
Total Bills	\$355 60
Goods Returned	9 20
	346 40
Prizes	11 40
	357 80
Debit Balance	\$5 06

It is probable that next year the camp will be much larger and to accommodate such a number it will be absolutely necessary to erect a building and arrange for proper cooking facilities.

Features of this year's camp were the guide from Queens Co. and the handsome Chestnut canoe furnished by Mr. Ralph P. Bell, of Halifax. Mr. Bell has already engaged the guide for next year.

From Aug. 30th to Sept. 6th the newly organized Girl Guides of Wolfville attended camp and seemed to enjoy themselves as well as the boys.

We hope that this splendid organization may be extended throughout the county.

Since camp regular meetings have been held at Kentville, Wolfville, South Berwick, Waterville and Port Williams and the boys at Canning are now meeting under Principal Paul, who was himself a Scout at Springhill.

The great drawback thus far to the work has been the lack of men to act as leaders and some plan in which the boys can meet to carry on their Scout work and play group games, etc. This is now being largely overcome. The Scouts at Kentville under Rev. D. G. Ross have secured the use of the Armouries, those in Waterville with Mr. Earl Chute assisting Mr. Charlton have the use of the upper

(Continued on Page 4.)

CHRISTMAS SENTIMENTS have survived the horrors of War, and are increased a thousand-fold in these days of peace. Hearty Greetings will be extended by friend to friend, and the Christmas Card is the most practical form of conveying such expressions of Goodwill at Christmas and the New Year.

We have a Splendid Assortment of . . .

... Personal Greeting Cards ...

from which to choose. All are Canadian made and are of high-class quality, and the prices are low.

Get your order in early as we have to send to Toronto for the Cards.
