This is beyond question the most successful Cough Medicine we have ever sold, a few doses invariably cures the worst cases of Cough, Croup and Bronchitis, while its wouderful success in the cure of Consumption is without a parallel in the history of medicine. Shippers and passengers had their favorite packets. The formedicine can stard. If you have a cough we earnestly ask you to try it. Price 10c., 50c. and \$1. If you lungs are sore, chest or back lame, use Street.

men had all they could do to handle the crowds of passengers and had the tons of merchandise offered them.

Rough with the penny in his and the tons of merchandise offered to the wanted some bread, and soon came trotting back to the crowd. The clergy-man broke off a morsel, gave it to Rough and stood by while stacked upon the wharves, and needed the earliest possible intelligence of the approach of the sariest possible intelligence of the approach of the packet so that they might promptly summon clerks and carriers to the shore. The passengers had the tons of merchandise offer-mouth went to the nearest bakery, made it clear that he wanted some bread, and soon came trotting back to the crowd. The clergy-man broke off a morsel, gave it to Rough and stood by while the dog munched it. Suddenly and stood by while the dog munched it. Suddenly the clergyman exclaimed, Rough with the penny in his and the tons of merchandise offer-ed them.

Notwithstanding the rush to the crowd. The clergy-man broke off a morsel, gave it to Rough and stood by while the dog munched it. Suddenly and stood by while the dog munched it. Suddenly and surroundings of the farm, the orchard and the garden. This, too, in the full activity of mature manitors the full activity of mature manitors.

Out the dog spat the piece had to the clear that he wanted some trotting back to the crowd. The clergy-man broke off a morsel, gave it to Rough and stood by while the dog munched it. Suddenly and surroundings of the farm, the orchard and the graden. This, too, in the full activity of mature m ly summon clerks and carriers to the shore. The passengers loitering in neighboring hotels,

demanded some system of warn- 'Bravo!' ing of a favorite steamer's coming, that they might avoid the disagreeable alternative of pacing the to the shame of the drover, agreeable alternative of pacing the to the shame of the drover, agreeable alternative of pacing the to the shame of the drover, agreeable alternative of pacing the to the shame of the drover, agreeable alternative of pacing the total pacing the drover, agreeable alternative of pacing the shame of the drover, agreeable alternative of pacing the shame of the drover, agreeable alternative of pacing the shame of the drover. A marvelous cure for Catarrh, Diphtheria, Canker mouth, and Headache. With each bottle there is an ingenious nasal Injector for the more successful treatment of these complaints without extra charge. Price 50c. Soldby E. Lee Street.

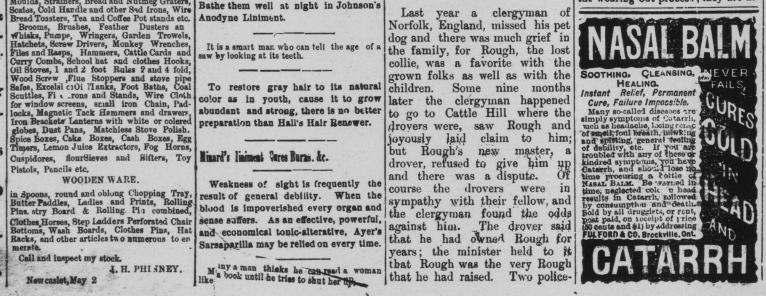

Without a whistle, how was a boat to let the neonle know it was a boat to

boat to let the people know it was coming, especially if some of those sharp bends for which the Ohio River is famous intervened to deaden the splasning stroke of its huge paddle-wheels, or the regular puff, puff, puff, of its steam

exhaust-pipes? The necessity originated several may be tramped into manure in a crude signs, chief among which covered yard or shed, or in an open Why do so many people we see around us seem to prefer to suffer and be made miserable by Indigestion, Constipation, Dizziness, Loss of Appetite, Coming up of the Food, Yellow Skin, when for-75c. we will sell them Shiloh's Vitalizer, guaranteed to cure them. Sold by E. Lee

AND SAVING MANURE. J. H. Brown, in Am. Ag. All the rough straw and fodder

Will you heed the warning. The signal perhaps of the sure approach of that more terrible disease Consumption. Ask your selves if you can afford, for the sake of saving 50c., to runthe risk and do nothing for it. We know from experiencethat Shiloh's Cure will cure your cough. It never fails. This explains why more than a Million Bottles were sold the past year. It relieves croup and whooping cough at once. Mothers, do not be without it. For lame back, side or cheat use Shiloh's Porous Plaster. Sold by E. Lee Street.

Imar'? Limitest Cures Dandrun.

Will you heed the warning. The signal perhaps of the sure approach of that more terrible disease Consumption. Ask seen the odd spectacle of a person mounted on the walking-beam of the second vessel, and, wondering over the cause, paid no attention to the landing of the first boat, but awaited the arrival of the other.

The incident gave the master of the Champion an idea. He took the boy as a permanent member of the crew, and assigned him to the post of 'walking-beam,' buy-ing for him a large and beautiful fing for him a large and beautiful fing.—L. E. Stofiel, in September

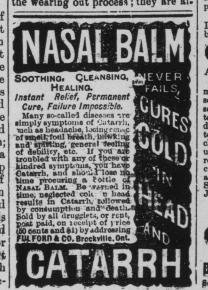

THE DAIRY.

Some dairymen entertain the fool-ish idea that if a cow is run on a low by plane she will last longer, and that fall feeding and drawing from her a full flow of milk rapidly wears her out—just as some farmers hold that the post of 'walking-beam,' buy-included on the walking-beam,' buy-included on the walking-beam of the first boat, but awaited the arrival of the cause, p flag.—L. E. Stofiel, in September of any value save as they can be utilized. The Jersey Bulletin revation goes, the cows heartily enjoy the wearing out process; they are al-

East), and all the traffic was by water. Consequently, steamboat men had all they could do to heard a loaf.'

Description of two in the pocket, pulled out a consideration a farmer has—and consideration a farmer has—and curnish any better means to cut off his outside cost of living?

marks: As to wearing a cow out; so far as a somewhat extended obser-

ways ready for m re of it. In this particular they seem to be built on ne same principle as the . wonderful ne hoss show, built to last. The fact is, the talk about wearing out a cow by feeding and milking her in a reasonable way, is to say the least of it unreasonable.

Farm, Stock and Home has the following to say in behalf of the Holstein-Friesian cow. As the farmer himself is, in a majority of ases, obliged to work in the field early and late, some female member of the household is expected not only to milk, but to care for the A CURIOUS ADVERTISE MENT.

Think of It is used to make the most of the household is expected no only to zilk, but to care for the milk in all the deta'ls. Hence the cow should be a kind, docile animal. It is it to care for the milk in all the deta'ls. Hence the cow should be a kind, docile animal. Think of It is used to more than high it is it to care for the milk in all the deta'ls. Hence the cow should be a kind, docile animal. Think of It is used to more than high it is it to care for the milk in all the deta'ls. Hence the cow should be a kind, docile animal. Think of It is used to more than high it is to care for the milk in all the deta'ls. Hence the cow should be a kind, docile animal. Think of It is used to more than high it is to care for the milk in all the deta'ls. Hence the cow should be a kind, docile animal. Think of It is used to more than high it is to care for the milk in all the deta'ls. Hence the cow should be a kind, docile animal. Think of It is used that the cown should be a kind, docile animal.
