A MARVELLOUS REMEDY! FOR A MARVELLOUS AGE!!

### HOLLOWAY'S OINTMENT.

THE GRAND EXTERNAL REMEDY.

THE GRAND EXTERNAL REMEDY.

By the aid of a microscope, we see millions of little openings on the surface of our bodies. Through these, this Ointment, when rubbbed on the skin, is carried to any organ or inward part. Diseases of the Kidneys, disorders of the Liver, affections of the Heart, Inflamation of the Lungs. Asthmas, Coughs and Colds, are by its means effectually cured. Every housewife knows, that salt passes freely through bone or meat of any thickness. This healing Ointment far more readily penetrates through any bone or fleshy part of the living body. curing the most dangerous inward complaints, that cannot be reached by other means.

#### ERYSIPELAS, RHEUMATISM AND SCORBUTIC HUMOURS.

No remedy has ever done so much for the cure of diseases of the skin, whatever form they may assume, as this Ointment. Scarvy. Sore Heads. Scrofula, or Erysipelas, cannot long withstand its influence. The inventor has travelled over many parts of the globe, visiting the principal hospitals, dispetsing this Ointment, giving advice as to its application, and has thus been the means of restoring countless numbers to health.

### SORE LEGS, SORE BREASTS, WOUNDS & ULCERS.

Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment, when having to copeavith the worst cases of sores, wounds, ulcers, glandular swellings, and tumours. Professor Holloway has dispatched to the East, large shipments of this Ointment, to be used in the worst cases of wounds. It will cure any eleer, glandular swelling, stiffness or contraction of the joints, even of 20 years' standing.

# PILES AND FISTULAS.

These and other similar distressing complaints can be effectually cured, if the Unitment be well rubbed in ever the parts affected, and by otherwise following the printed directions around each pot
