If every print shop could or would work character into their product there wouldn't be such common place printing.

We'll be glad of an opportunity to prove to you that when your printing is placed with us, there will be character to it.

Our new type faces will do that alone, but there will be more than up-to-date type faces. There will be care taken in the arrangement of the type-good ink will be used -the proper paper for the work will be selected, and printed in the largest and most modern country printing office in the Maritime Provinces.
