NOW DO MY WORK WITH EASE

Because Lydia E. Finkham's Vegetable Compound Restored My Health

Hornell, N. Y.—"I was in bad health but there didn't seem to be any one thing the matter with me. I was tired out all over and it was an effort for me to move. I was irritable and could not sleep nights and had trouble with my bowels and at my periods. It seemed that nearly everyone around me knew of your medicine and wanted me to try it, so at last I took Lydia E. Finkham's Vegetable Compound Tablets and Lydia E. Finkham's Blood Medicine and improved every day. I do all my own work now except the washing and do it with ease. I can accomplish as much in a day now as it would have taken me a week to do last winter and I try to get every one I know to take your medicine to build them up. You are welcome to use this letter as a testimonial if you like."—Mrs. CHAS. BAKER, 21 Spencer Ave., Hornell, N. Y.
 In almost every neighborhood there are women who know of the value of Lydia E. Finkham's Vegetable Compound. They know because they have taken it and have been helped. Why don't you give it a trial?

DRINK BUTTERMILK

Very few people realize how valuable buttermilk is as an aid to good health, I would like to make a list of some of the many uses of this inexpensive drink.

If you are reducing drink buttermilk. The caloric value of a glass full is only 80. It has the same amount of nourishment as a glass of skim milk, but it contains acids which are beneficial to the system.

If you have a muddy skin drink buttermilk. The acids mentioned above stimulate certain organs in the body so that the skin will become clear and fresh.

If you are trying to gain weight and can not drink whole milk as in the case with so many women drink buttermilk with cream added. To make this drink fattening, you should add four or more tablespoonfuls of cream. It will give the buttermilk a richer taste.

If you have indigestion drink buttermilk, which will aid you in digesting other foods and is itself one of the most easily assimilated articles of nourishment.

If your skin has become tanned or freckled use buttermilk externally. It bleaches the skin and gives a soft fine feeling. It will not, of course, completely eliminate all the freckles, but it will help to do so.

If your skin has become rough or chapped, rub it with buttermilk. for this will keep it soft and in good condition.

If you want an unusually good bleach, scrape two tablespoonfuls of horseradish into a cup of buttermilk, massage this into the arms or the neck. If you use it on the face be careful not to let any of it get into the eyes.

Children Cry for Fletcher's CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. *It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.
