very unsatisfactory nature from Green Bay up—They appear to be picking up a good deal of fish here. There is nothing more special except that the St John's Minstrels intend to visit and perform in Harbor Grace on the evening of the 6th, this troupe is worthy of every patronage. It is comprised of talented young gentlemen from our legal and commercial offices and they use every endeavour to please the most fastidious audience. Upon their two first performances here lately they met with unqualified success and were voted the best of the kind that have been heard here for some time.

Yours truly SENEX. To the Editor of the Carbonar Herald. Carbonar, June 17.

Dear Herald,—The "preservation" of Cruelty to Animals is partly observed as long as he who looks like the "fore leg of a dog" in your last issue, is kept in ignorance of all those matters after the knowledge of which he is longing. For further information on that or any other subject, let him apply at the Police Station on any day (except Sunday) between the 15th of June and the 15th of October—if convenient to him—which I doubt very much. There he will be enlightened on police duties generally, especially if he expresses a fear that some unforeseen misfortune should oblige him to become a member of the force some time. At present he is deplorably ignorant; as shown by the silly queries he has set forth, ones that any child of ten could answer. He has had a glimpse at the Constabulary Manual, no doubt, a little portion of which he has most shockingly misconstrued.

The misinterpretation of written language has, from time to time, done a great deal of mischief; therefore it is unsafe to let even such a book as the fore-said into the hands of "fore-leg."

Should His Satanic Majesty appear in the form of a dog with or without dog or chain, ten chances to one against his escape from the unerring aim of his enemy.

Hoping, Dear Herald, to see no more of this pig-dog and police controversy on your unsullied face, and begging your pardon, &c., for being a party to it, I am, respectfully yours, DARE DEILL.

Local and other Items. NOTICE.—We would esteem it as a favor if our Agents would collect the half-yearly subscription due 22nd May, according to our terms, and forward the same to the Proprietor, Edward J. Brennan, Herald Office, Carbonar.

The Falcon left on her second trip for the Banks yesterday afternoon. The fishery news brought by the Plover from the Northward is not very favourable. In fact nothing of any consequence has been done from Green Bay up to the last port she called at.

Five Western boats from Cape St. Mary's are reported being home at Bay Bulls with between a hundred and forty and one hundred and twenty quintals each. One boat at Fermenso with one hundred and forty quintals. Others are also reported as having returned with good trips.—Chronicle.

We congratulate our friend Sgt. McBay, on the success which attended his efforts to put down the pig and dog nuisance, he informs us that he killed upwards of 70 dogs during the past two or three months, and that he despatched two men down the North Shore on a dog shooting excursion. What about the goat nuisance? we are of opinion that our Sergeant considers goats roaming Water Street, no nuisance, if so he is in error, as they are a great annoyance to some of our business men.

The Banking schr. Henry West, arrived today from the Bank fishery to Messrs. Duff & Balmer, with 900 quintals green fish, as her second trip this season. We heartily congratulate her enterprising owners on their success, and hope ere long to see them with a large banking fleet.

The Banking schooner O'ender, has since arrived, also to Messrs. Duff & Balmer, with 700 qts. of green fish, as her second trip.

The Rev. Joseph Donnelly, O.C., Spiritual Director of the Harbor Main Total Abstinence Society, arrived here on Sunday evening last, and is now, accompanied by the Rev. J. Brown, P. P., Tilton Harbor, spending a few days with the Rev. M. Hanley, P. P., Northern Bay. We are

informed that the temperance movement in Harbor Main is progressing favorably under the patronage of the Rev. J. O'Donnell, P.P.

We had the pleasure of attending the performance given by the Victoria Dramatic Club of St. John's, in the Total Abstinence Hall, Harbor Grace, on Tuesday evening, notwithstanding the many disadvantages the Club had to contend with the play and farce were all that could be desired and speaks well of the zeal and ability of its members.

We are requested to state that the Avalon Total Abstinence Excursion Club of St. John's will hold a Grand Promenade Concert in the Total Abstinence Hall, Harbor Grace, on Tuesday evening next. Our old friend J. P. Rabal is a member of the committee, and we feel sure that many of his friends in Harbor Grace and Carbonar will be happy to see him. Now is your time to subscribe to the Temperance Record.

We are pleased to learn by the Morning Chronicle of Tuesday, that the Railway Commissioners have appointed Messrs. Kuipke & Morris, of London & Greenock, as Engineers-in-charge of our projected Railway. That the survey will commence at once, and be pushed on energetically, so that before the close of the season it will be completed to Harbor Grace. The plans and estimates will be prepared during the winter, and contracts for the execution of the work entered into; so that next summer, we may hope to see the first sod turned and a host of labourers at work.

The Rome correspondent of the Tablet, writing under date June 6th.—Dr. Power, Bishop of St. John's, Newfoundland, had private audience of His Holiness, and the next day left Rome for Naples. The Rev. John Ryan chaplain to Bishop Power, had also audience of His Holiness.
