MAYOR TO MAKE EFFORT TO AVERT CAR MEN'S STRIKE

Will Meet Representatives of Men
and Company During Day.

**CITY WON'T STAND
INCREASE OF FARES**

TORONTO, June 17.—R. J. Flem-
ing, General Manager of the Toron-
to Railway Company, had a confer-
ence with Mayor Church this morn-
ing, when the whole question of the
demands of the men for increased
wages was gone into.

"Mr. Fleming stated that the com-
pany was willing to meet the men
and try to reach an agreement that
would be satisfactory," said his
Worship.

"Did he authorize you to lay any
proposition before them?" asked the
press.

"No. But if possible a meeting will
be arranged between the parties and
the other organizations, including
the Board of Trade, that took part
in the settlement three years ago. I
will meet the men at two o'clock this
afternoon.

"What is the Labor Department at
Ottawa doing in this matter?" asked
the Mayor. "What is the Railway
Board of the Ontario Government do-
ing? Nothing. The Railway Board
is either lost, strayed or stolen, as
far as it is of any use in Toronto. It
is not the function of this office to
settle strikes and try to avert them,
yet I have three such affairs on my
hands at the present time. All that
we are concerned in is to see that
there is no inconvenience to the citi-
zens, but it is the function of the
Labor Department to settle these
differences, not ours."

LECTURED PREACHERS FOR THEIR DISORDER

President Adams' Rebucor—'Honest
Profits,' Counsels Bishop
Nicholson.

President E. J. Adams lectured
preachers and laymen in Toronto
Methodist Conference yesterday for
their failure to keep order. At one
stage of the session a dozen different
groups or committees were carrying
on conversations at the back of the
church.

"Listen, brethren," he said, "if any
of you preachers found your congre-
gations behaving like this confer-
ence is behaving you would rebuke
them severely, and you would not go
on with your sermon if they did not
keep order."

"The basis of honest goods, and
honest prices and honest profits—
that is the only basis on which com-
merce can be carried on in this new
day," was the emphatic assertion of
Bishop Nicholson, of Chicago. He
preached the doctrine of love and
service—the new internationalism—
the "give and serve" policy—as
against the old "grab and grab-
deal of men and nations."

SUNKEN EYES BRIGHTEN QUICKLY. HEALTH RETURNS

In a Message to Ailing Women—
Doctor Hamilton Tells How It
is Done.

In speaking of the ills from which
women suffer, Dr. Hamilton points
out that nine out of every ten are
suffering from constipation, which is
the cause of all the other troubles.
Harsh purgatives
are resorted to which only intensify
the trouble. Although not generally
known, it is a constipated condition
of the bowels that causes half the
sickness and tired weariness with
which all woman-kind is so familiar.
It is after long years of study that
Dr. Hamilton perfected the pills
which have been of such marvellous
benefit to women the world over. In
his pills of Mandrake and Butternut
very sufferer will find an absolute
specific for constipation, sick head-
ache and biliousness. It is safe to
say that Dr. Hamilton's Pills bring
better health and keep the system in
a more vigorous condition than any
other medicine ever discovered. At all
dealers, in 25c boxes.

"QUADRUPLEX" HOUSES ARE NEWEST DESIGN

Semi-Detached Houses Built Back to
Back Require Change in
By-Laws.

Have you heard the very latest in
house designs? They are known as
"quadruplex" houses and, as the
name implies, they are really four
houses in one. Everyone is familiar
with the ordinary semi-detached
house. Take two semi-detached dwell-
ings and place them back to back,
and you have the proposed "quadri-
plex" houses. There are many of these
houses erected in Toronto, but if those
behind the scheme in Toronto are
successful, there will be before long.
In fact, it is proposed to put up one
in the Queen City as quickly
as possible.

These are unique features of the
quadruplex houses. They will, of
course, have no rear yards, all the
lawns being at the front and side. In
order to give the kiddies plenty of
room in which to play, it is proposed
to erect two rows, leaving street be-
tween them open for pedestrian traf-
fic only, thus making it safe for the
kiddies to play to their hearts'
content. Deliveries will be made from
the two streets facing the outside
rows of houses, there being plenty
of room left between pairs.

It is claimed that by building this
way a considerable saving will be
made in cost of construction, so that
one of the houses may be purchased
for \$2,500. Each will have a lot
of twenty-five foot frontage, and con-
tain four rooms, a bathroom and a
large reception hall.

The only difficulty the promoters
are "up against" is the fact that the
Toronto city by-laws require so many
feet of land at the rear of each dwell-
ing. It is understood that an at-
tempt is to be made to induce the
authorities to make an exception in
the case of quadruplex houses, as
there will be all the required space,
only not in the exact place the by-
law says it must be situated.

Please, Mother! It's Nasty! Give Me a Candy Cascaret!

TO MOTHERS! Instead of the dreaded dose
of castor oil, drops, calomel or pills, give your
children Cascarets and save money, worry and
trouble. Children love Cascarets because they taste
like candy. Nothing else acts so gently but surely
on the child's little stomach, liver and bowels.

When one of the kiddies has a white tongue, tainted breath, sour stomach
or a cold; when cross, bilious, feverish, constipated, remember, a Cascaret
so quickly "work" away the nasty bile, sour fermentations and poisons
should always be the first treatment given. Cascarets never gripe the
tender bowels, never injure, and never disappoint the worried mother.
Each 10-cent box of Cascarets contain directions for children's dose from
one year old and upwards. Also for adults.
