How They Do It.

The local government are calling for the printer's bill for the 1898 volume to be used in connection with the...

The above appeared in the Guardian of the 14th. On Friday the 15th we called on the Provincial Secretary, Mr. Newberry, to ascertain the conditions of the tender.

How the Money is Squandered.

The disgraceful jobbery that has been going on in the Fort Augustus district for some time past is, of itself, quite sufficient to teach the honest electors of that constituency that the rule of the Federal Government is one of corruption.

We have the information on almost two hundred dollars were paid certain parties in the vicinity of Johnston's River, for completing a new road of 36 1/2 chains in length and further, that the contract was never sold.

The Premier's Speech.

We commence to-day the publication of Sir John Thompson's admirable speech at Montreal. Being Sir John's first public appearance since his return to Canada much was expected of him, and truly much was received.

Sir John's remarks on the questions propounded in the meeting of Canadians were clearly and forcibly expressed. There was no beating about the bush, or trifling with the time and patience of his hearers, leaving them, when he had finished, in the same state of blissful ignorance in which they were before he had commenced.

The Premier Speaks.

Sir John Thompson's Speech at the Great Conservative Rally at Montreal.

The Premier's speech at Montreal was a great one, and well worthy of a great man. The Liberal-Conservative party are justly proud to have in him such a leader, and the magnificent demonstration he received in Montreal, and is now receiving throughout his triumphant tour, attests both to his popularity and that of his cause.

OVER THE WIRES.

MONTREAL, Sept. 13.—The eleven year old daughter of the aged mother of John Bryson, M. P. for Pontiac, was apoplexied in a house on Mountain street yesterday.

OTAWA, Sept. 14.—The Manitoba school question has been placed on the first of the list of cases to be heard at the October term. This goes to show that the Court intends giving every facility for the hearing of the case at once.

HANCOCK, Mich., Sept. 14.—A train on the Mineral Range railroad was held up between here and Calumet and robbed of \$70,000 belonging to the Calumet & Hecla Mining Co. No blood was shed.

TUNIS, Sept. 14.—Of 30,000 pilgrims that left here and other ports in May for Mecca, only half have returned, the others having fallen victims to cholera. The survivors tell terrible tales of suffering. On June 24 one hundred thousand pilgrims were gathered on the sacred mount to hear a solemn address prior to proceeding to Mecca, only 50,000 remained.

OTTAWA, Sept. 15.—The revenue for the two months ending August 31st is \$6,047,693, and the expenditure is \$6,030,517; expenditure, \$1,459,440. The net debt on August 31st shows a decrease of \$1,421,877 over June 30th.

LONDON, Sept. 17.—The St. Petersburg correspondent of the Central News says that an Imperial ukase will shortly be issued abolishing the practice of kneeling by the police. It stated the initiative has been taken by the czar himself.

DUBLIN, Sept. 17.—More than 15,000 persons attended an amnesty meeting in Limerick to-day. The meeting passed resolutions concerning the release of prisoners, and the liberal policy for having abandoned its promise to do them justice and blaming Gladstone for his apathy in the cases of Irish political offenders.

MONTREAL, Sept. 17.—Eight years ago a man named O'Brien went into the City and District savings bank to borrow \$100. The bank had at that time a surplus of \$63. The other day O'Brien returned from the States, and being in the same bank, was recognized, but before a warrant could be issued he had escaped to the States. The bank was another man who raised the check.

OTTAWA, Sept. 17.—A reliable banking authority states that during the recent financial stringency on the other side many American institutions, municipalities, savings banks and manufacturers came to Canada for help, and a few received it. The most marked feature observable was the demand for and the use made of Canadian money for paying wages in border towns. This was done to a considerable extent for the first time in many years.

QUEBEC, Sept. 18.—The ceremony of installing the Earl of Aberdeen into the office of Governor General of Canada took place at 11.30 o'clock yesterday. It was one of the most brilliant ceremonies of the kind ever held in Canada. The Earl was installed by Chief Justice Strong at the Legislative Council Chamber which was crowded with the elite of Quebec society: Sir John Thompson, Sir A. P. Caron, Sir C. H. Tupper, Ministers Angers, Hager, Ouellet and Guindon, and the local Premier and members of the Local Legislature were present. After the ceremony Lord and Lady Aberdeen were introduced to those present.

A very sad and fatal accident happened at Clementville, N. S., on Sunday evening last. Capt. Thomas Potter and his wife were riding home in the evening when coming to a sharp bend in the road they were struck by a horse-drawn carriage. The carriage was driven by a man named Mr. Potter, who was also the driver of the horse-drawn carriage. The accident resulted in the death of the woman and the injury of the man.

Canada. (Cont. ch.)

We think it has increased immensely the volume of Canadian trade both as regards our exports and imports. We think it has developed the interests of Canada in every part of the world.

INCREASING INTER-PROVINCIAL TRADE.

(Ottawa)—Of giving the home market to our own people, the inter-provincial trade of the country, and thereby creating a greater sentiment in favor of the Confederation. (Cont. ch.)

A TRIBUTE TO HIS PREDECESSOR.

Attention has been made in this address to the fact that it is my privilege to appear before you as the successor of the late Sir John A. Macdonald, who was the first Prime Minister of the Dominion of Canada.

LET ME ASK YOU TWO QUESTIONS.

Let me ask you two questions: Is it honorable or reasonable that it should be laid to the charge of a policy, which has done so much for the people of this country, that it should be abandoned? Is it honorable or reasonable that it should be abandoned?

A CONVENTION NOT NEARER.

Ladies and gentlemen, I come before you to state the policy of the Liberal-Conservative Government of to-day. I do not intend to discuss the merits of the policy, but to state the policy itself.

WHAT IS THE PRACTICAL RESULT?

Why, while those constitutions had been amended, as less than one-tenth of the population of the Dominion had been enfranchised, the vast majority of the population had remained in a state of political servitude.

WE CAN BELIEVE YOU TO-NIGHT TO DECLARE THAT THE CONSERVATIVE PARTY HAS STOOD FOR THE PEOPLE FOR THE LAST FIFTY YEARS.

We can believe you to-night to declare that the Conservative party has stood for the people for the last fifty years. (Cont. ch.)

A COMPLETE AND CAREFUL REVIEW OF THE PARTY.

It has become necessary, and it has been adopted as the policy of the party, to give a complete and careful review of the party. (Cont. ch.)
