ment.

Iness. On Friday last the body of a drownod man was found on the shore of Lake Hump about three miles from Zurich. The body seems to have been in the Water for some time. Papers found on the about is converted to the section, and is never content unless he is the first of the season with his early vegetables, etc., He has in his greenhouse a very large stock of choice bedding out and window plants, both in quantity and variety. His stock of verbenas is especially large.

Avater for some time. Papers tound on him show his name to be David Thomp-ison, of Harrisville, Mich. Our stout friend, "Jim" Viviar, has decided not to leave Goderich, but the "pop" business will go on in Emerson, all the same, and will be conducted by his brother, who is going into the refreshment trade largely. By the decis-ion of Mr. Vivian in this matter, Goder-Perhaps you have heard of the hair

vigor which would put a good crop of hair on a red hot stove. Well Rhynas hasn't got any of that in stock. But he has got the Dominien Hair Restorer, which he claims will bedeck a bald head with flowing tresses. If you are bald-headed give him a trial.

On Tuesday R. Taylor, of the Huron Road, Goderich t'p, was up before Mayer Forrester, charged by W. Wise, Jr., with keeping a vicious dog, and thereby injuring the property of the lat-ter, who claimed damages. The Mayor fined Taylor \$1 and costs, but had no fined Taylor \$1 and costs, but had h power to levy damages.

AUCTION SALE. - The household furniture belonging to Mr. Dunsford, of the Bank of Montreal, will be sold by Mr. J. C. Currie, at his residence, on Wednesday next. This furniture is of a su-perior kind, and the sale will likely draw a large attendance of ladies, who are the favorite bidders with a good auctioneer.

ODDFELLOWSHIP. -- The sixty-third an-niversary of Oddfellowship in America will be celebrated on the 26th inst., and and Polley's "Spot." the Grand Sire of the Order recommends that the occasion be observed by its dedication to appropriate exercises and thanksgiving to Almighty God for His manifold blessings to the Order, individu-ally and collectively.

SPRING OPENING. - Miss Stewart's spring opening of millinery came off on Friday and Saturday last. On the sec-ond day the opening was largely attend-ed, and the really fine show of hats, bennets, ribbons, crnaments, etc., were much admired. Good taste and good material were the chief points observed in the getting up of the "ducks" of bonnets and hats.

MECHANICS INSTITUTE. - A meeting of

BINGHAM'S NURSERY .-- On Monday BLESSING THE ALTAR. e Ceremony Performed by Rev. Bean Murphy, of Dublin-Sermons by Rey. Father O'Mahony, of London.

At St. Peter's (R. C.) Church on Suns

day last the new altar was blessed, and dedicated to the new altar was blessed, and cated to the service of the Almigh-

ty. The ceremony was performed by Rev. Fathers Murphy, of Irishtown, and O'Mahony, of London, assisted by Rev. Father Watters. After the benediction was pronounced the altar was decorated for the service of the day, by the Sisters of St. Joseph. A very pretty statue of the Sacred Heart of Jesus, now fills the niche in the centre pillar of the altar. Father Murphy, of Irishtown; celebrat-ed the Grand Mass. The sermon was delivered by Bev. Father O'Mahony, of London, from the text "How terrible hand at his store; on the square, near The "Longfellow Entertainment, under the auspices of the Mechanics' Institute, was held in the Temperance is this place ! this is no other but the house of God, and the gate of Heaven,"

Hall on Tuesday evening, and was fairly attended. The singing and other exer-cises gave general satisfaction, and alto-Genesis 28th chap., 17th verse. A brief synopsis will not not be out of place. SERMON ther a pleasant evening was spent. Mr. James Mitchell opened with a carefully A stranger visiting the Catholic Church would naturally be struck with wonder and admiration at the decoration of God's house. 1 . .

The evening service was largely at-tended, Father O'Connor, of Wawanosh, tended, Father O'Connor, of Wawanosh, officiated at vespers. The altar when lighted presented a beautiful effect, being decorated with exquisite tasts. The Seaforth choir, led by Dean Murphy, and helped by Mr. Michael Fergusen, Miss Tellier and the Misses Biddulph, are the artige arguing Downey act sang the entire service. Miss Downey act ing as organist. Miss Downey also sang a solo in English in a beautiful manner. The rendering of "Regins Cooli" by Misses Killoran and Ryan was very ac-ceptable. After vergers, Father O'Ma-hony, of Lendon, again ascended the steps of the altar, and delivered a very impressive and instructive address.

# EVENING SREMON.

The discourse of the evening about the Divine institution of the The church, and its working in society. looks, he finds everything worthy of the service for which it is designed. One rev. lecturer took for his text that por-tion of the 28th chapter of the gospel of embellishing of the Church of God is embellishing of the Church of God is sioned his apostles to "go and teach all nations." Before coming to his subject the reviewed the proper, the rev. gentleman reviewed the position of the Redeemer from a worldly their little rustic church, everywhere it is found the same. The Catholic heart standpoint, discarding altogether his di is ever generous, ever ready with the vinity. The lecturer said that from the position which Christ held in the society richness of their heart's affection to offer worthy gifts to their altar. The chaste chiseling of the scalptor, the grand painting from the artist's brush-all of his time, this command given to his disciples would appear most absurd. Having commented on the extent of the Il who had taker part in the entertain-nent. RUNNING RACE.—There was an im-promptu running race on Friday last on kouth street between Case Allen's new for the Catheres and wisdom. work thus given to the apostles, the lec-turer attacked his subject proper, and went on to show that the institution and establishment of the church could not have depended on the apostles, who had none of the qualifications necessary for olica pay so much attention to beautifying their altars, when they know whe is to take up his abode here? To the worldly minded those contributions may seem uch a work, nor on the doctrines which they taught, militating; as they did against the inclinations of nature, whilst to be considered more a matter of self interest, but to the Cathelic heart, the owing to the intellectual state of the Ro-man Empire at the time, the destrines of altar is not for the manna, nor fei the tables of the law, but for the Heavenly Christianity were met with the closest food which is dispensed to the great love-filled heart all over the world. criticism. In reviewing the working of the church in society, the lecturer sh Here in the Cathelic Church is the grand ed the position of the church with regard to education, science and liberty. He referred to the growth of Canada, and altar for Ged, for Christ who died for us. All who to-day witness the bene diction of this spatless altar before which every Catholic whose purity of sense is offered to the service of Ged, will often E. R. Faimer, the veteran trotting man, had instructed "Sandy" regarding the mystery of keeping "Spot" in the centre of the track, the horses again started, and came up the course like a double-barrelled Manitoba blizzard. This time "Spot's" helm worked to a charm, and that auimal took first place in the horse impressed upon his hearens the nemost to promote peace and good will amongst all classes. The discourse, which was over an hour in length, was a powerful and eloquent one, and the preacher held the attention of the con-
