Peg's Jim Writes.

Editor Evening Telegram:
Dear Sir,—And so poor Peggy has
been and put her foot in it, as the
old sayin' goes. That old woman
of mine is always up to some mis-
chief. Little did I think when I men-
tioned the doin's of the Agricultural
Society that her old tongue would
ring out, and the People's Paper get
hould of it. But what's done can't be
undone, and to tell ye truth of the
matter, Mr. Editor, Peggy niver towld
the half of it. I towld her quite a
bit, but mister, there is some things
I niver tell a woman. I niver towld
her that all the Agricultural Praties
that was sint here last fall go frosty.
Whose fault was that, Mr. Hibbs? was
it Pegs? If yer don't know yer may
ask the Codner Taycher and sure, he'll
tell ye. What some fellers don't
know about Agriculture would fill a
large book. And so Mr. Hibbs is
congratlatin' hisself for writin' over
his own signature, and also fer usin'
sich a powerful lot of grammar. Ah,
mister, this is a wonderful country,
gettin'. I know, meself, that it isn't
Peg's business to report the back-
slidings of the Agriculture Sicty.
They're no better and no worse so
far as I can make out than other Ag-
riculture Sicty's of other places, and
from a perfectly common sense and
matter-of-fact point of view I firmly
believe that the whole business is all
tommy rot. To give you an instance
of the conversation, Mr. Editor, I'll
just say that some person wanted to
know what was to be done with the
young Pigs, and the reply came from
the K. G. R. (Keeper Government
Fam), that all the young Pigs be
turned out in a field and the smartest
chap would also be the lucky one! The
keeper being a smart runner, prob-
ably thought that two or more of the
number would fall to his lot hence
his wise suggestion. I suppose M-
Hibbs won't get hurted wid me for
tryin' to spake my mind, for it is toime
to spake—toime to take up a firm
stand against the gross selfishness of
the Split Government's Agriculture
Sicty.

Thanking you for space, Mr. Editor,
May 27th, 1911. PEG'S JIM.

Minard's Liniment Co., Limited,

Gentlemen,—In January last, Fran-
cis Leclaire, one of the men employed
by me, working in the lumber woods,
had a tree fall on him, crushing him
fearfully. He was, when found, placed
on a sled and taken home, where
grave fears were entertained for his
recovery, his hips being badly bruised
and his body turned black from
his ribs to his feet. We used MIN-
ARD'S LINIMENT on him freely to
desaden the pain and with the use of
three bottles he was completely cured
and able to return to his work. SAUVIEUR DUVAL.

Notes From Sound Is.

There passed away on Saturday last
one of the oldest and most respected
citizens of Sound Island, Mr. Joseph
Giles. The deceased was over 70
years of age, and all his life was a
hard-worker. He leaves a wife, one
son and several daughters to mourn
their loss. We respectfully tender
our sympathy to the bereaved family.
His funeral took place on Monday.

Malcolm, son of Mr. Thomas Best,
of Come-By-Chance, who died last
Friday, was brought over here Mon-
day to be buried. Father Cacciola
performed the sad rites.

Captain Haines in the vessel Belle
Franklin, arrived here Saturday from
St. John's with a load of salt for A.
H. Murray. He left again Thursday
morning for Sydney to load coal for
Rose au Rue.

Rev. R. H. and Mrs. Mercer arrived
here Wednesday from a ministerial
visit round his mission. They met
fine weather and enjoyed their trip
immensely.

The Epworth League held their
monthly social in the school room,
Thursday evening, and quite a num-
ber attended. It was enjoyed by all
present.

Fish is scarce as yet, but there is
a good sign of herring.

There seems to be a lot of money
in the Government, and it would
be wise to give us a few dollars to
build a Postal Telegraph Office. They
are using a small goat's house now
which is an eyesore to all who come
here. Come, wake up, members! and
give us something decent.
Somebody should look into the Road
Board affairs. There has been no one
appointed since this Government
came in power. I suppose they think
we don't care how they treat us, be-
cause we are not singing out; but
time will tell.
