Despite the difficulty of getting these goods this season, we are able to make an early and splendid showing, as we bought early.

NAP CLOTHS predominate this year in Navys, Browns, Greys, Saxe Blues, etc.

The Leading Style is the MILITARY COAT. This is belted all round, has a Military Collar and general military effects. You will like it.

When You Carry Home Mud

on your boots, you also carry home germs. The mud dries and floats about your rooms in the form of dust. When you breathe in dust you take in disease germs. That's risky.

Kill the Germs with Car-Bon-Ol.

Use it in the water when scrubbing your floors and when washing paints. Use it freely wherever a disinfectant is required. Sold for 10, 25 and 50 cents per bottle.
