Knock Down Motor Engines!
4 H. P., \$110.00; 8 H. P., 2 Cyl-
inder, \$175.00.
A new idea in Motors.
We have secured the agency for the celebrated "Knock Down" Motor Engines. Each part of these engines is made so perfect that it is not necessary to assemble and test the engine before shipment. You save the cost of all that work by doing the work yourself.
All parts of the engine are carefully packed and shipped just as they come from the automatic machines at the factory—not even painted—full directions for assembling, including a picture with number and name of each part, are sent you. The Company guarantees that every part will fit perfectly, and that any man who can read English and use a wrench can set them up.
Those engines are guaranteed exactly the same as common engines that have been fitted and tested at the factory and sold at double the price. Why not save a month's wages by setting up your own engine?
These engines are 2 cycle. Terms: half cash with order, balance on arrival.
On rush orders, can wire order and have engine sent by express.
WATERPROOF ENGINES,
Four Cycle.
Here is what you have been looking for, a special Four Cycle Engine, specially fitted with a waterproof ignition system, at a price to meet all competitors.
1 CYLINDER 2 HORSE POWER \$ 70.00
2 CYLINDER 4 HORSE POWER 130.00
2 CYLINDER 8 HORSE POWER 190.00
3 CYLINDER 6 HORSE POWER 175.00
3 CYLINDER 12 HORSE POWER 240.00
4 CYLINDER 16 HORSE POWER 295.00
These Engines come set up ready for use.
Everyone knows that a Four Cycle Engine will produce the same power on much less fuel than any two Cycle Engine made; it will also be much cleaner.
The only objection to Four Cycle Engines has been the difficulty of keeping the ignition dry in wet weather; this objection is overcome in our "WATERPROOF" Engines. A big advantage in having two or more Cylinders is to reduce vibration and give steady power; a smooth running Engine will last much longer than any other.
Write or wire if interested.
Two shipments of Engines now on road, expected here by May 25th. Wire your order.
ST. Louis Cash Registers!
We have secured the Agency for the St. Louis Cash Register line. These are not second-hand or rebuilt machines, but are new Registers, built in a new Factory, and are sold at about half the price of the common registers. Now is your chance to get a New Register right from the Factory at a reasonable price.
