Unusual Investments!

The recent severe decline in the securities market furnishes another golden opportunity to wide-awake investors, because at present prices some of America's most seasoned investments show an income yield of 10 per cent and over.

Many stocks are on the bargain counter regardless of their great asset value and future earnings outlook, but this can only be transitory as the intrinsic worth of these stocks must be reflected in higher prices soon.

We are fully equipped to take care of any orders you wish to place on any of the leading stock exchanges and can assure you prompt and attentive handling of same.

Bedrooms & Beds

There's nothing more important to the bedroom than the Bed itself, is there? From the point of usefulness or ornament it ranks first. Does your Bed suit your taste? Does it harmonize with your room? Does it give you the sleep-comfort you need? No? Well, then it's time to discard it and get another, quick.

We are showing All-Brass, Brass and Enamel, and All-Enamel Beds in all sizes and very fine designs. Each and all of which Beds can be fitted with Springs and Wool or Felt Mattresses if desired.
