

A MARVELLOUS CURE—A remarkable cure is related by the Scottish newspapers. A man named Grant, living at Abernethy, met with an accident while driving wood out of the Tullech forest, by which he dislocated his shoulder. It was determined that he should go to a bone doctor at Aberlour; but the weather being hot, Grant, before proceeding on his journey, took a bath in the large dam at Dalack. While swimming about he was astonished to observe a roe and a roebuck exulting in the same exercise at the far end of the dam. He steered his course to the spot, and having come close behind the buck, the stalwart Highlander, regardless of the pain it occasioned, stretched out his disabled arm and took a firm grip of the roebuck's hind leg. The animal gave so sudden a bound forward that it jerked the arm into its socket, and thus saved him his long journey. Grant managed to paddle the buck to the shore, but feeling that he was totally unable to kill the buck in the usual mode of land warfare, he kept to the water, and held the animal's head under it until it was drowned.

A movement is on foot in Nova Scotia to assist the Red River sufferers. A public meeting will soon be held, and it is to be improbable that Government will grant aid.

HALL'S VEGETABLE SICILIAN HAIR RESTORER.
It is a perfect and wonderful article. Cure baldness. Makes hair grow. A better dressing than any Oil or Pomade. Softens, brushes, dries and wavy hair into beautiful and Silken Tresses. But, above all, the great wonder is the rapidly with which it restores GRAY HAIR to its ORIGINAL COLOR. The whitest and worst looking hair resumes its youthful beauty by its use. It does not dye the hair, but strikes at the root and fills it with new life and coloring matter. The first application will do good; you will see the NATURAL COLOR returning every day, and before you know it, the old, gray, discolored appearance of the hair will be gone, giving lustrous, shining and beautiful locks.
Ask for Hall's Sicilian Hair Restorer; no other article is at all like it in effect. See that each bottle has our private Government Stamp over the top of the bottle. All others are imitations.

To Friends & Strangers.

AFTER an experience of over four years in selling the New York Union Piano Company's Pianos, (made under the direction of J. P. Being fully satisfied, after having sold over 800 of these splendid instruments in New York, Cincinnati and St. Louis, that they are the finest toned and most durable Pianos in the world, we have given us and our agents less trouble than any Pianos we have ever dealt in, and we would invite both dealers and customers to try them in preference to any other now made.
