The Starting Point of Consumption

Lies in Weak, Watery Blood—Dr. Williams' Pink Pills Make the Blood Rich, Red and Pure.

Weak, watery blood is the starting point of consumption. When your blood is in this condition your whole health declines. Your face becomes pale or sallow, your appetite fails, your heart jumps and flutters at the least exertion or excitement. You are always weak and wretched and you lose interest in both work and amusement. This is the point from which you may easily step into that hopeless decline that leads to consumption and the grave. What is needed to bring back health, strength and energy is the new, rich red blood Dr. Williams' Pink Pills actually make. In all the world of medicine there is no other tonic and blood builder like them and all who feel weak, run-down, or easily tired should lose no time in giving these pills a fair trial. They have transformed thousands of weak, helpless men and women, boys and girls into strong robust people. In proof of these statements may be given the experience of Mrs. T. Brennan, Charlton, Ont., who says: "Not only myself, but my friends think that had it not been for Dr. Williams' Pink Pills, I would have filled a consumptive's grave. My condition was most serious; my blood seemed literally to have turned to water. I was as pale as a sheet and became utterly unable to do any housework or go about. I doctored steadily for a long time but was growing weaker, and finally the doctor held out but little hope for my recovery. I was thought that a trip might help me and I was taken to New Ontario. Those who saw me while on my way did not think I would reach my journey's end alive. After I reached my destination a friend urged me to try 'Dr. Williams' Pink Pills, and as of course I was anxious to regain health I did so. The pills were the first medicine I had taken which seemed to help me at all, and it was not long until I felt they were doing me good. I continued their use gladly, and began to feel hungry and soon after was able to move about the house. Next I was able to go out of doors and to help with the housework, and from that time on my progress was rapid, and in the end I was enjoying better health than I had ever done before. There are many people who can testify to the absolute truth of these statements, and I feel I would not be doing justice to your wonderful medicine if I did not make these facts known."

You can get these pills through any dealer in medicine or by mail at 50 cents a box or six boxes for \$2.50 from the Dr. Williams' Medicine Co., Brockville, Ont.

PT. BURWELL BOY OVERSEAS THINKS THOSE AT HOME SHOULD NOT HAVE TO BE COAXED

Is Proud of What he has Done and Would be Glad to See More Port Burwell Boys Come Over and Help.

Dear Friends of Port Burwell:
 Just a few lines to let you know that I am well, in the best of health and still on the war path. I have been in the trenches about fifteen months and with my usual good luck and good health I am getting along fine, but I am glad of a change. I suppose I should not look for it long, as I am well, and I know that I am fighting for a good cause, and as a Canadian I am very well pleased to be in the Canadian army, one of the best of all nations.
 I was just thinking that there are lots of my friends in my own home town that ought to be proud of the name of Canadians and should not have to be coaxed to come and give us a hand to help win this great war. As for myself, I have seen a lot of my good friends left behind out here but I am proud to know that they were volunteers and have done their bit.
 I enlisted in the 91st and am not a bit sorry for what I have done over here since I came. Private Ellis Walker and myself are the only ones left of the Port Burwell boys that have gone through it all and each one of us has been hit and we are proud of it. We both would be glad to see some more of our Port Burwell friends come over and give us a hand; but if they won't come we will do our best to do their share. So in closing I am wishing one and all the best of luck and I wish to be remembered to all the people of Port Burwell, as I always remain,
 A Port Burwell friend,
 Private Arthur Walker

MICHAEL ROLOSON OF BAYHAM TP., DEAD

The death took place in Bayham on Saturday of an old resident in the person of Michael Roloson in his 66th year, after an illness of several months. Mr. Roloson leaves to mourn his loss, besides his widow, four sons and two daughters, namely: Will, of Eden; Louis, of Sparta; Brock, at home; and Gordon, of Aylmer, and Mrs. Will Fenn, of Malahide.
 The funeral took place Monday from his late residence, with interment at Stratfordville.

CULP-HAZELL

Pretty Wedding at Kingslake Home
 The wedding was solemnized at the home of Mr. and Mrs. John Hazell, Kingslake, on January 1, of their second daughter, Matilda A., and Reuben E. Culp, son of Mr. and Mrs. Peter Culp, of Guysboro. The bride entered the parlor to the strains of the wedding march, played by Miss Evelyn Culp, of Corinth, niece of the groom, and wore a gown of white silk crepe de chene, with veil and orange blossoms. Little Hazel Stansell, niece of the bride, in blue voile, was ring-bearer, carrying the ring on a silver tray. Rev. M. Fagan, of Stratfordville, officiated, assisted by Rev. Mr. Chute, of Fair Ground. The guests numbered about forty. The happy couple left later for Tillsonburg en route for Whittefore, Mich., the bride travelling in a silk poplin suit. Guests were present from Toronto, Corinth, Eden, Walsingham Centre, Port Burwell and Fair Ground.

 Butterfly Flower
 This is one of the sweetest and daintiest flowers imaginable, especially adapted to bordering beds of taller flowers and those of heavier growth. The seeds germinate quickly and come into bloom in a few weeks from sowing. The flowers are such as to completely obscure the foliage, making the plant a veritable pyramid of the most delicate and charming bloom. The Butterfly Flower makes admirable pot plants for the house in late winter and early spring. For this purpose sow in the autumn.
