 THE RIGHT HONOURABLE THE EARL OF ELGIN & KINCARDINE,

 Governor General of Canada.

 THE Capital of the Company is £500,000. All the Directors are Shareholders of the Company.

 THE RATES

 Have been formed on the most correct observations which exist as to the value of life.

 THE PROFITS

 Of the Company will be ascertained and divided at cer-tain internals, when each policy having a right to raritio-mate an the Profits, will share in the fund to be allocated for division among the Assured.

 AD DV AN TAGES:

2. The Moderate rate of Premium, which may be paid yearly or half-yearly, at the option of the party Assuring. 3. The increased facilities to the Assured, as regards Feedface and Travelling, the limits being generally very extensive, and in particular the Assured being at liberty to pass by Steam Versels or Sailing Packets betwizt any North American port and any European port, at any time of the year, without extra charge. The Assured need thus be under no apprehensions of losing the benefits of their policies, by the omission, (per haps inadvertent) on their part, to give the notice required by other Companies, of their intention to cross the At-lantic.
