

Lost Through Hard Luck; Brantford Beats Torontos

Extra Play Was Required—Capitals Lose at Montreal—St. Kitts Blanked.

Brantford, Ont., July 22.—In a senior C. L. A. match played here this afternoon the Torontos were defeated by Brantford by a score of 7 to 6 in the hardest game ever played behind the dyke.

It required 25 minutes of extra play before the issue was decided, and then only when Henry was at the fence for interfering. Hard luck entered to a large degree in the defeat, and in the extra time a Toronto shot struck the goal post and bounced inside.

The game itself was a strenuous one. Both teams went into the game at the start and kept the hard work up with hardly a respite. The score at the end was 6 to 6.

Torontos, after a long consultation, decided to play fifteen minutes each way. Just when the first fifteen was up Rowntree and Laderout resorted to their fists, and the referee retired them to the fence. This left both teams playing, with ten men each, and the play was always around either flag. An interference play by Henry resulted in a large degree in the defeat, and in the extra time a Toronto shot struck the goal post and bounced inside.

Capitalists Defeated

Montreal, July 22.—Montreal defeated the Capitals Saturday by 7 to 2. A large crowd, about 3,000, was out, and considerable interest was shown all throughout the game.

From start to finish Montreal did good work, although several times things looked as though the visitors would win. They had the ball in Montreal territory often enough, but they only succeeded in scoring a second time.

ST. KITTS BLANKED.

Toronto, July 22.—The Athletics of St. Kitts, who were to play the Toronto team at the island this afternoon by a score of 8 to 0.

The majority were liberal with his penalties. He sent off Adamson on one occasion when that player sat down to remove the stone from his shoe. Because Adamson could not find the stone he went to the bench. The stone was subsequently located in his stocking.

Others put were McMillan, Cameron (2), Grims, Elliott (2), Lorne, Stewart and Durkin.

About 8,000 witnessed the game, and the majority were ready to admit that they have never seen anything quite so good. The Torontos won on their own merits, and the contest was not so one-sided as the score indicates. The incident as the score indicates.

St. Catharines—Hess, Harris, Cameron, Elliott, Richardson, Downey, Forrester, Barnett, Lowe, Kalls, Hagan and O'Gorman.

Torontos—Clark, Menary, Griffith, Grims, Stewart, White, Felker, Querrie, Murton, Durkin, Adamson, McMillan.

Umpire—F. Hall and Lally. Referee—Lally, Cornwall.

A CLOSE SECOND.

Galt, Ont., July 22.—The Hesper C. L. A. juniors beat the Galt lacrosse team by four goals to three today.

The game was a fine, fast exhibition and the winner could not be picked.

MONEY BURNED AT BRIGHTON

Five Straight Favorites Were Slaughtered at the Big Track.

New York, July 22.—The way supposed sure things were beaten at the Brighton Beach track today made 5,000 racegoers pinch themselves to find out whether they were alive or not. When at the end of the slaughter of five straight favorites, the triumph of Chalfonte in the first race, the bookmakers summed up their assets, they found they had gathered together an ocean of money.

Probably the most heartrending disappointment of the day was the beating sustained by J. L. McGinnis's Bunting in the Seashore handicap, at a mile and a quarter. Thousands were poured into the ring on his chances, the price remaining steady at 8 to 5. James R. Keene's Wild Mint and Eugenia Burch were equal second choices at 4 to 1, with August Second's Blandy at sixes and George C. Bennett's Au Revair at sevens. On three separate occasions Burns made an attempt to take the money with stalling, but McDaniel, husbanding Wild Mint's strength and speed with extreme cleverness, never let the favorite get up. Wild Mint won easily by lengths in 2:05. Butting took the place by a length from Blandly, with the southerner in the despatch outsiders, two lengths back.

Capt. S. S. Brown's Accountant, quoted at 20 to 1 in the betting, won the \$10,000 Brighton Junior stakes, a five-year-olds, 6 furlongs, at Brighton Beach, defeating the favorite, Pegasus, by a length. Don Diego was third, Pegasus, who has been beaten by the last ten days with H. P. Whitney's horses, worked a fast trial, and was shipped down to Brighton especially for the rich stake. He opened at 2 to 1 in the betting, but the weight of money soon forced his price down to 6 to 5, at which he closed. The odds prices of others gradually went up. After a short delay they were sent away to good start. Pegasus was first to show, but O'Yama, from the Keene stable, took the lead and opened a gap of five lengths in the last furlong. In making the turn the Keene steed stretched him out and finished last.

Coligny won the Brighton steeplechase. Rocky Burns and Olliphant were suspended for the remainder of the meeting for disobedience at the post.

BASEBALL

SO GENTLE.

Montreal, Que., July 22.—Jersey City won two from Montreal. The Montreal man reached second base in the first game. In the opening inning Bean spiked the Montreal pitcher, and the latter jumped up and broke Bean's nose with a blow. Miller was put out of the game, but he was disabled, anyway.

CONTRACTS AND RELEASES.

WOODSTOCK LOSES AT HOME.

Defender Wins Third, But Race Must Be Sailed Again.

Montreal, July 23.—The Canadian defender Alexandra yesterday won the third of the series of races for the Seawanhaka cup, defeating the American challenger Manchester by two minutes and one second.

The race was a beat to windward and return. The breeze was very light; in fact, at times, it was doubtful if the race could be finished within the time limit.

The wind hardly got a puff of wind and was frequently becalmed.

The Alexandra, which crossed the line first, was a lead from the start, and at the first buoy was more than six minutes ahead.

The challenger reduced the lead, but could not overtake the Canadian boat.

The Alexandra now has one race to the Manchester's two, while it was generally understood that the Canadian defender had defeated the Manchester in the third race for the Seawanhaka cup, it afterward transpired that it was no race, as there was a full round of the course to be sailed when the time limit of three and one-half hours was reached, and the officials declared the race off.

The race will be sailed over tomorrow.

SIXTH WAS THE FATAL INNING; PERRINS LOST TO THE ROCKETS

McClary Nine Get Too Much Good Luck Again for the Blue Labels.

A large crowd witnessed the ball games at Tecumseh Park on Saturday afternoon. The first game was a comedy of errors, and the Perrins tossed it away in one real bad inning. There were two new faces in the Rocket's line-up, and both looked good.

Wicket's West, junior, pitched for the Rockets, and he did splendidly well. He had speed and good breaks and used his head. The outfit behind him got him into light. In one couple of times, but he stayed with it, and beat them out. He was only hit for five safe ones, and two of them were rank scratches. He should have had a shut-out. Costello is a shifty player and looks right.

Perrins scored in the first on Costello's wild throw of Clark's hit, and tried to third on that, and scored on Gregory's hit. They mixed a couple of singles with a couple of doubles, and tallied twice in the fourth. The Rockets went along nicely until they struck the sixth and then they did things. PULLIAM DECLARES IT'S NO FAIRY TALE

Pittsburg, Pa., July 22.—"A movement has been launched by several club owners to establish a twelve-club association next season by effecting an alliance between the National and American Leagues," said President Harry Pulliam, president of the National League.

"That's not an imaginary story that came from Cincinnati concerning the consolidation of the two leagues," said Mr. Pulliam. "There is more in it than appears on the surface. I have no definite news on the matter, but am inclined to believe that several club owners in both leagues have joined forces and will try to have a so-called trust established.

"I will warn these men against consolidation. It will jeopardize the game. If the National and American Leagues are merged the game will be practically controlled by the club owners whose organizations are leading in the race. It will be a fatal mistake.

"Baseball is thriving at present as it never did before. The National League, when it was comprised of twelve clubs, nearly died. Since the formation of an eight-club circuit the game has prospered. Larger crowds are being attracted than ever before. The game is conducted fairly and squarely, and the lovers of the sport know it and appreciate it.

"But I have sufficient confidence in the owners of the National League clubs to say that there will be no amalgamation. They realize that it will ruin the game. Now I want to emphasize the fact that I am not worried over my position. If I can help the game by retiring, I will gladly do so.

"The story about the proposed amalgamation has been sprung at frequent intervals, and do not take it seriously, but there is something in it," remarks President Pulliam's concluding remarks.

WARD ATTEMPTED A "ILLING," FATAL TO YANKEE'S CHANCES

Dohertys Too Much for American Team in Davis Trophy Match.

London, July 22.—For another year the Dwight F. Davis international lawn tennis trophy will have its home in England.

At Wimbledon today Holcomb Ward and Beals C. Wright, especially the last named, tried hard and fought desperately to take the silver trophy back to the land of its origin, at one time they were within measurable distance of their desires; but R. F. Doherty, pastmaster in the art of getting out of tight corners, suddenly sprang into grand form and snatched victory from the fire, thus adding another point to the score in the challenge match, which was 3 to 0 in favor of the defenders of the trophy.

Although the winning of the doubles today allowed the Englishmen to retain possession of the cup the two remaining sets of singles will be played next Monday.

Wright played wonderful tennis at the net, in the court and behind the back line. For a time Ward was off in his game, but this made little difference to Wright, who during his partner's lapse in form, played the Dohertys single-handed.

Five sets were played. The first, which was won by the Americans, was the hardest of the contest, and constantly returned the ball to the net, but Wright played steadily and brilliantly, too, efforts made by the Americans in winning this set deprived them of some of their snap, and the Dohertys easily took the next two, 4-2. The fourth fell to the Americans, 4-1. The fifth and deciding set, in which both teams put forth their every effort, Ward and Wright, too, efforts made by the Americans in winning this set deprived them of some of their snap, and the Dohertys easily took the next two, 4-2. The fourth fell to the Americans, 4-1. The fifth and deciding set, in which both teams put forth their every effort, Ward and Wright, too, efforts made by the Americans in winning this set deprived them of some of their snap, and the Dohertys easily took the next two, 4-2.
