Small Gatherings Witness Games at Toronto and Ottawa, in Which Both Toronto Teams Were Beaten — Canadiens Beat Wanderers at Montreal.

Games Saturday—Wanderers at Toronto, Tecumsehs at Quebec, Ottawa at Canadiens.

Toronto, Feb. 12.—Quebec swamped Toronto 11 to 2 in a 2 X 11 A. fixture before a very small crowd at the Arena last night. As an exhibition of hockey the game lacked all the essentials, but was characterized by the unfriendly tactics of both teams.

Quebec—Goal, Moran; point, Mumery; cover-point, Hall; centre, Malone; right wing, Smith; left wing, Marks. Toronto—Goal, Haines; point, McLean; cover-point, Cameron; centre, Wilson; right wing, Davidson; left wing, Nighbor. Referee—R. Hern. Judge of play—Dr. Wood.

TECUMSEHS SHUT OUT, 11 TO 0. Ottawa, Feb. 12.—Ottawa made the Tecumsehs look like a joke team to-night, the final score being 11 to 0. The Tecumsehs were played off their feet from beginning to end.

Ottawa—Goal, Benedict; point, Merrill; cover, Shorner; centre, Roman; wings, Westwick and Darragh. Tecumsehs—Goal, Nicholson; point, G. McNamara; cover, H. McNamara; centre, Vail; wings, Gail and Throp. Referee—Jack Brennan. Judge of play—Harvey Bulford.

BIG CROWD AT MONTREAL. Montreal, Feb. 12.—Before the record crowd of the season and in most spectacular hockey, Canadiens broke the tie between the two local teams at the Arena to-night, winning by a score of 6 to 4. The Wanderers never showed to better advantage in any previous game this season.

The line-up: Canadiens—Goal, Vezeina; point, Laflamme; cover, Berlanquette; wing, Pire; centre, Lalonde; wings, Smith and Vezeina. Wanderers—Goal, Boyes; point, Ross; cover, S. Cleghorn; wing, Roberts; centre, Hyland; wing, D. Cleghorn. Referee—Russell Bowie; assistant, Eddie Phillips.

FLAVELLE AND MAULAY BEATEN AT WINNIPEG. Winnipeg, Feb. 12.—This morning's draw at the bonspiel resulted disastrously for the Lindsay and Southampton rinks' chances for the Purdy Flour trophy, Flavelle being defeated by Hall, of the Winnipeg Civics, 16 to 9, and Maulay by Rochon's crack rink, 11 to 3, after both the eastern rinks had entered the eighth. This puts both rinks out of all open competitions.

Flavelle meets Forbes, of Napinka, in the international, in the afternoon draw, and the strong rink of Smith, of Kipling, in the Dingwall, to enter the jewelry class at 3 o'clock. Both the games in the early morning were to enter the fours for both Maulay and Flavelle.

Crawford, of Wingham, also was put out of the draw of the open competitions, being defeated by Fleming, of the Strathconas, 12 to 5. Cameron, of St. Thomas, was the only eastern rink to win this morning, he defeated Gower, of the Thistles, 16 to 7, in the Cameron cup consolation match.

Stole McLean's Medals. Chicago, Feb. 12.—Robert McLean, international amateur ice skating champion, upon arriving home today, reported he had been robbed of eight gold medals he won competing in eastern meets. The medals were carried in a case, which was stolen from McLean's sleeping car berth last night.

Gained in Weight, Digestion Restored, Health Renewed. HERE IS MORE PROOF OF QUICK CURE FOR ALL FOLKS THAT ARE WEAK, AILING, NERVOUS.

More Praise for Dr. Hamilton's Pills.

"For a period last summer the thought of food excited feelings of nausea," writes Mrs. C. A. Dodge, of Bloomsbury. "The heat had made me listless, and the distaste for food reduced me to a condition of semi-starvation and brought me to the verge of nervous collapse. Tonics were useless to restore an active desire for food. The doctors told me my liver and kidneys were both at fault, but the medicines they gave me were too severe, and reduced my strength, so that I had to abandon them. At the suggestion of a friend, who had been cured of blood and skin trouble, I began the use of Dr. Hamilton's Pills. The difference I first noticed was, that while they cleansed the system, instead of feeling weaker, I felt better after taking them. I found their activity was so mild it was easy to forget I had taken them at all, they seemed to go right to the liver, and in a very brief time not only did all source of nausea disappear, but I began to crave food, and I digested it reasonably well. Then I began to put on weight, until within three months I was brought to a condition of good health. I urge Dr. Hamilton's Pills for all who are in poor health."

Get this best of all medicines today and refuse a substitute for Dr. Hamilton's Pills of Mandrake and Butterbur. Sold by all druggists and storekeepers, 25c per box or five for \$1.00. Sent postpaid by the Catarrh-Home Company, Buffalo, N. Y., and Kingston, Canada.

TWO MORE PLAYERS SIGNED UP BY MANAGER DENEAU

Myers and Chickerber, Third Baseman and Outfielder, Are Men Landed—Oskee Neale Also Signs Up—Joe Keenan Gets Contract of Bradshaw, Berlin's Young Hurler.

[BY JINX.] Judging by a letter received by the writer this morning, Manager Rube Deneau, of the London club, is making hay while the sun shines, or rather while the snow is on the ground, if such mixed metaphors are allowed. Rube has signed up a couple more players for his Tecumseh Park collection, and he writes that he believes they are good ones. One of them is Harry Myers, who was with London a short time at the beginning of the 1911 season, but was later sent to Berlin, to whom he rightfully belonged. Myers is a good third baseman, and has recovered from the injuries which put him out of the game in 1911.

The other player Manager Deneau has signed is an outfielder named Chickerber. Of him, Rube says that he is a fast man and a good hitter, and should be a valuable man.

Manager Deneau is not losing any time in grabbing up some good players. Although it is a little early yet to be preparing for Canadian League baseball, Rube does not intend to let any grass grow under his feet in the way of securing players. He is in touch with a few more likely ones, and will have a likely looking gathering when the snow melts and the balmy breezes of the springtime are once more blowing over Tecumseh Park.

NEALE SIGNS A CONTRACT. President Stevens also received a signed contract this morning. Oskee Neale was the gentleman who had signed his signature to one of the London club's 1913 agreements. Neale will not report to Manager Deneau until June 20, owing to his college term not completing until that time. However, he expects to come to London in the best of shape and ready to jump in and play his old position in left field. The terms offered by the London club were satisfactory to him, and he had no hesitation in signing a contract.

KEENAN LANDS BRADSHAW. Joe Keenan expects to have a strong pitching department on the Berlin team this coming season. Joe received the signed contract of young Bradshaw, the most promising lad in the Canadian League with Berlin, and Manager Keenan is eager to get back into the Canadian League with Berlin. Bradshaw is only 18 years of age, yet he was as good as any of the pitchers in the Canadian League last season.

JO-JO IS NOT "DUTCH." A number of Jo-Jo Keenan's friends have christened him "Dutch" since the news was made public that he had been signed by Berlin to manage the Dutchmen in 1913. Rumor has it that Jo-Jo has been studying German and burning the midnight oil crying to master the language so that he will be able to announce the batteries to the Berlin fans, and otherwise make himself understood. Jo is already able to say "Auf Wiedersehen" without the Irish brogue, and he expects to be able to say "Hoch der Kaiser" without the Irish brogue in a few days.

ABBIE JOHNSON MAY GO WEST. Abbie Johnson, the former Guelph manager, but more recently of the Strathroy Stars, will likely go to Fort William and manage a team there this summer. Since Jo-Jo Keenan has signed up with Berlin the Fort William club, Abbie has given up the idea of landing him, but they are after Johnson, who was recommended by Keenan. Abbie is still a good ball player, and he should make good. He knows the game, and has a lot of experience managing clubs. The Fort William club is negotiating with him at present, and it is likely that he will accept.

PERRINS AND EMPIRE BRASS AT WESTMINSTER TONIGHT. The Empire Brass and Perrin teams will come together tonight in what promises to be the fastest Manufacturers' League game played at the Westminster rink this season. Perrins still have a chance to tie the Empire team, as they have still two games to play with them. Perrins' defeat by Lawson & Jones on Tuesday evening nearly clinched matters for the East End brassworkers, but the misfit men have a chance yet, and they must win tonight. The game will be handled by Sid Rankin, the well-known local referee, and this is an assurance that it will be clean.

Before the Perrin-Empire Brass fixture, the Lawson & Jones and McCormick teams will meet. This contest starting sharp at 8 o'clock. Both teams are strong, and in the last meeting the McCormick aggregation gave the printers' a close run. Tonight they believe they can win. The Greene-Swift team takes another bye this evening as they were unable to get their full team out, and handed over their date with Sid Rankin, the well-known local referee, and this is an assurance that it will be clean.

DOINGS IN CITY HOCKEY CIRCLES. The Medical School team leave for Exeter, where they play this evening, on the Huron and Bruce at 4:40 p.m. The team will line up as follows: Callahan, goal; Petterley, point; H. Thompson, cover; H. Lecky, rover; Martin, centre; Acheson left wing and McQueen, right wing.

A meeting of the City League will be held shortly to arrange for the league's benefit night. It is likely the schedule will be doubled up and six games played next week and the week after.

The Spalding trophy for the City League has arrived, and is on exhibition in Gurd's window. It is a pretty one and well worth winning. A duplicate of the trophy has also arrived for the winners of the Armory Indoor Baseball League.

Some exception has been taken by members of the Anglican Church to some criticism in this column as to the way the church leagues are conducted. The Anglicans claim that they are endeavoring to run their league on a proper basis. Their players have been scattered about among the other leagues, and they are only trying to get them back.

This is true in regard to some of the Anglican teams, but there are some who are not so careful. There is much room for improvement in the way all

three leagues are running at present. It is a very simple matter to get into an argument, number of London hockey fans have been arguing lately as to which player can skate the fastest, Borland or McAvoy. Some say Borland and some say McAvoy. Now, if you should ask us, we would say that Cal Watrope is the fastest skater in the London team. Did you ever see Cal take the puck down the ice for an individual rush during a game? Neither did we.

The management of the Dundas Centre East End Sunday School League team wishes it understood that the playing of two ineligible men against Adelaide Street last Friday night was not intentional. Dundas Centre understood that for the first game the players did not have to be registered. The players used were eligible as a couple of King Street's players on Monday night. The league will be run more strictly in future.

Hon. Charles S. Hyman attended the City League games last evening at the Dundas Centre. He was the team representing his tannery go down to defeat before the First Hussars. Rev. S. R. Heakes, manager of the Hussars, was also present coaching for his team.

The Perrin-Empire Brass game tonight may decide the championship of the Manufacturers' League. If Empire Brass win they will clinch the championship. Perrins still have a chance, but it is a slim one.

Chest Colds, Wheezing Cured Over Night

You Can Break Up Cold, Feel Fine Next Morning, by Following the "Nerviline" Method.

Experience of a Trained Nurse

Every mother knows how difficult it is to get a young child to take a cough mixture. Seldom will one help unless given in large doses, and the result is to completely upset the stomach and make the child sick.

Speaking of the promptest cure for chest troubles and children's colds, Nurse Carrington says: "In all my experience in nursing I haven't met any preparation so dependable as Nerviline. It is the ideal liniment. Every drop you rub on is absorbed quickly, sinks through the pores to the congested muscles, eases, relieves, and cures quickly. Especially for chest colds, pain in the side, stiff neck, earache, toothache, I have found Nerviline invaluable. In treating the minor ills of children Nerviline has no equal. I think Nerviline should be in every home."

Hundreds of thousands of bottles of Nerviline used every year—proof that it is the ideal liniment for the home. Refuse any other your dealer may offer in preparation for Nerviline. Large family size bottles, 50c, trial size, 25c. All dealers, or the Catarrh-Home Company, Buffalo, N. Y., and Kingston, Ont.
