A Father's Soliloquy--No. 1 The Boy's Future

"His future prosperity will demand more knowledge than I had the opportunity of acquiring in my youth. Competition in his day will be much keener than it is right now, and goodness knows it's been enough. I have felt the need of a university training, again and again. His success in life will demand it. How best insure his future?"

A ten or twelve year endowment policy in The London Life Insurance Company would make my dreams, regarding his success, come true whether I live or die. The cost would be small—I would never miss the annual payments. And The London Life makes about all the profit a solid and safely-managed financial concern can make."

Baron Rothschild said:

"In all my dealings with men, I have ever found that the most confident, self-reliant and successful are they who have systematically conserved a part of their earnings, proving that a savings account is a sure sign of ambition."
 Get the right start. Do it this very week. Step into our savings department and make your first deposit. One dollar will start an account, to which we will add 3½% compound interest at stated intervals.

THE LOCAL MARKET

There was a good-sized market this morning, with a good supply of vegetables. Potatoes were cheaper, selling from 50c to 60c a bushel, and 10c to 15c a bag. The demand was fairly good. Hay has dropped another dollar a ton. There has been a very large supply for the last three weeks, and consequently the sales have been slow lately. \$14 per ton is the lowest top price for hay in some time. Live and dressed hogs have taken another drop, live hogs now selling from \$8.40 to \$8.50 per cwt, and dressed hogs \$12 to \$12.50. Veal is selling from \$14 to \$15 per cwt.

There was a good supply of butchers' meats, but the demand was poor:
