## BLACK LEG ATTACKS CATTLE OF THE WEST

Thousands of Head Perish in Saskatchewan and Alberta.

[Canadian Press.] Regina, Sask., July 13.—Thousands of cattle have died in Saskatchewan and Alberta during the present year, the result of the dread disease, black leg. This was the statement issued today by the Health of Animals branch of the Dominion Department of Agriculture in this city.

Quantities of vaccine to prevent the disease have been sent to different parts of the province, and it is hoped in this manner to secure a foothold in fighting the ravages of this most dreadful disease.

The number of cattle lost through this disease cannot be ascertained.

## Buffalo Citizens Murdered by Thugs

[Canadian Press.]

Buffalo, N. Y., July 14.—Martin Cook, 30 years old, was set upon by two thieves within halting distance of his home on Illinois street early this morning, and was so badly beaten and stabbed that he died a few minutes later.

The thieves were far away before the approach of two other men. Cook was able to stagger to his own door and expired. He fell dead when his father opened the door. He was able to gasp "They tried to rob me" before he fell.

The murderers had tried to cut some rings from Cook's fingers. One finger was nearly severed and two others were cut to shreds.

## PRODUCE

Winnipeg, July 13.—Torrential rains visiting goodly areas in Manitoba, and light rains in parts of Saskatchewan during the week-end, and consequently crops in these sections have been vastly improved. Most of the optimistic feeling therefore prevailed today on the board of trade, and prices opened easier, influenced also by Liverpool cables and weaker American markets, quotations being ½ to ¾ lower. Private reports from Yorkton district state that during Saturday and Sunday a good rain fell over the oats districts, which will benefit materially. Light rains also occurred in the Kildersley district.

Trading during the early hours was fairly active, but later turned quiet. Closing prices for wheat were ½ to ¾ down.

The cash demand was quiet for all grades, only slight inquiry for No. 2 northern wheat being apparent. Cash wheat closed 1 to 1½ lower; cash oats closed unchanged, ¼ down; cash flax closed 1½ higher for all grades; cash barley closed unchanged to ¼ lower.

Deliveries through the clearing house: Wheat, 124,000 bushels; oats, 44,000 bushels; flax, 40,000 bushels.

Cash inspections Saturday numbered 265. Against 318 cars last year; and in sight were 100 cars, against 120 last year.
