To Have Smooth, White, Soft Skin All Winter

Does your skin chap or roughen easily boes your skin chap of roughen easily in this weather, or become unduly red or blotchy? Let me tell you a quick, easy way to overcome the trouble and keep your complexion beautifully white, smooth and soft the winter long. Just get an ounce of ordinary mercolized wax at the nearest drug store and use a little before retiring, as you would cold great. before retiring, as you would cold cream. Upon arising, remove the coating with sudsy water. The wax, through some peculiar attribute, flecks off the rough, discolored or blemished skin. The wornout cuticle comes off just like dandruff or a discourse walk only in almost inout cuticle comes off just like dandruff on a diseased scalp, only in almost invisible particles. Mercolized wax simply hastens nature's work. Used as required, it keeps the face constantly free from devitalized scarf skin and only the healthy, young-looking skin is in evidence. It's the best treatment known for weather-beaten, aged, muddy, freckied, pimpled and all unbeautiful complexions.

Some skins wrigkle easily in winter.

There's an excellent remedy in a harm-less wash lotion made by dissolving 1 oz. powdered saxolite in ½ pint witch hazel. This will quickly eradicate every line.—The Woman Beautiful,—Advt.
