

TIGER WIN PRODUCES TRIPLE TIE IN RACE

Race Away From Varsity With
Bill Carson Off Opposition
Lineup.

ARGOS DROP OUT

Lost To Aura Lees 7-5 in
Desperate Effort To Stay
in Hunt.

Canadian Press Despatch.
Hamilton, Feb. 20.—Varsity, minus
her star center, Bill Carson, were
easily outclassed by the Hamilton
Tigers here tonight, and finished on the
short end of a 12 to 5 score. Cooper of
the Tigers was the star of the night,
scoring six goals. The result of to-
night's game makes the senior O. H. A.
race lighter than ever. Kitchener
granites and Hamilton all tied for first
place with 8 wins and 3 losses each.
The lineup:
Hamilton—Goal, Stewart; defence,
Day and Herbert; center, Bracken-
borough; wings, Mitchell and Cooper;
subs, Redding and Hughes.

ARGOS LOSE CHANCE.
The eastern Argos lost their chance to remain in the running
for the O. H. A. championship tonight,
when they were defeated by Aura Lee
by the score of 5 to 3. The game was
exceptionally fast throughout, and
Argos tried hard to clinch the game to
enable them to continue in the race.

Pros Play to Aid Truchinski Fund

One Fan Pays \$20 For Seats—
Newsboy's \$1 Shows Spirit.

Special to The Advertiser.
Kitchener, Feb. 20.—That enthusiasm
is running high in connection with the
great professional benefit game for
"Snoozers" Truchinski here Thursday
night is evidenced by the fact that
money being freely offered for the
privilege of scraping the ice and also
for the privilege of keeping time. Percy
Pearce, who is well known in the On-
tario Hockey Association, has offered
\$5 for the privilege of keeping time, as
has also Frank McEvoy, the well-known
coach of the Kitchener Juniors. Much
interest is centered in the seat-
selling. One man paid \$20 today for
two \$1.25 tickets.
Sammy Goldman, Kitchener's popular
newsboy, came into the headquarters
of the Truchinski fund today and laid
down one of his hard-earned dollars as
a tribute to Kitchener's injured player.
Cut Down City League.

The executive of the City Hockey
League has decided to curtail the
schedule in order to bring the final
game to a close by March 3, when the
winners of the junior and senior groups
will clash for the Lang cup.

EIGHT TEAMS ENTERED FOR DOG SLED DERBY

Quebec, Feb. 20.—The eastern in-
ternational dog sled derby opens on
Thursday the 22nd and the races will
continue over Thursday, Friday and
Saturday.

Dog teams and their drivers are
arriving daily from all over the pro-
vince and the eastern states and some
remarkably fine teams from both
sides are in the town.

Up to the present there are eight
entries for the dog sled derby. Arthur
T. Wonnatanc of New Hampshire,
last year's winner, will lead a team of
"half huskies." Edward E. Clark of
West Milan, N. H., will conduct a
team of Labrador Eskimo dogs. Price
Brothers and their team of "huskies"
from the north shore, and the Holt
Renfrew Company have registered
for a team of Russian wolf
hounds. The Regie Paper Com-
pany, Belanger and LeTourneau of
Montreal, the Brown Corporation of
Quebec and the Canadian Corporation
of LaTouche have entered teams of
half breed sled dogs.

RING BRIEFS

Milan, Feb. 20.—Erminio Spalla, the
Italian-American heavyweight, who was
knocked out by Luis Firpo, the Argen-
tine, a couple of years ago, has
drummed up a championship for him-
self in Italy. He will defend the Italian
title against Jose Roldan, said to be
the Spanish champion, in a fight here
March 1. Although beaten in the ma-
jority of his fights, Spalla has been able
to win from the best of the big men
in his native land, where the game is still
young and practiced by novices.

New York, Feb. 20.—Benny Leonard,
lightweight champion dancer of musical
comedy, had to use his fastest foot-
work to avoid slugging back at Jeanne
Lamar, the young Frenchwoman, who
says she is the champion prizefighter
here at all weights, when they
boxed an exhibition here Tuesday night.
The French girl, who is a featherweight,
is a clever boxer and is able to keep
the best of them going in her work-
outs.

New York, Feb. 20.—George Godfrey,
the black giant, former sparring part-
ner of Jack Johnson, will be seen in a
local ring for the first time Wednesday
night. He will box an unknown heavy-
weight in one of the ten bouts of four
rounds apiece at the heavyweight
boogie carnival in the Garden. God-
frey is said to have been dismissed
from Johnson's show troupe, because he
got too clever for "M. J. Artha." Critics
say he is a wizard at defence, but his
gameness has yet to be tested.

New York, Feb. 20.—Luis Angelo
Firpo, who came here to fight Bill
Brennan in Madison Square Garden, will
land in New York on the Southern Cross
Friday morning.
Jack Dempsey, who has been in Sai-
Lake City, bedridden of his father,
who is ill, is expected to return to New
York in a few days. Dempsey's father
is now out of danger, the champion in-
formed Jack Kearns, his manager.

New York, Feb. 20.—The flyweight
championship fight for the American
title between Pancho Villa and Frankie
Genaro has been averted again. Ar-
rangements were made last week by
Tex Rickard to use them in the Garden
here in short time, but the Jersey
Boxing Commission insists that they
first go through with an old contract to
fight in Jersey City.

COLUMBIA HOCKEY MESS WORST SINCE J. THORPE

Special to The Advertiser.
New York, Feb. 20.—The dissolution
of the Columbia hockey team and the
withdrawal of athletic and other hon-
ors already attained by parties to the team's
faking this winter, have revealed the
most sensational amateur athletic
scandal since Jim Thorpe turned in his
medals and confessed to being a pro-
fessional. Columbia hockey officials
knowingly played two stars who were
known to be ineligible and played them
under the names of eligible members
of the squad. By this plan Columbia
had won a place among the leaders of
hockey in the east.
The records of the team's victories
have been destroyed, and no member
of the squad will receive a trophy let-
ter. The rest of the schedule has been
abandoned, the team withdrawn from
practice and the coach, Tom Howard,
former coach at Yale, dismissed.

FRANCE ENTERS DAVIS CUP.

Special to The Advertiser.
New York, Feb. 20.—France has en-
tered the 1923 Davis Cup competition,
in which America again defends the
bowl. Julian S. Murray, chairman of
the Davis Cup committee of the U. S.
Lawn Tennis Association, announces
that the French challenge for this year
has been received. France elects to
play in the European zone in the pre-
liminary rounds. Last year France
drew a default in the first round, won
from Denmark in the second, and was
eliminated by Australia in the third in
Boston.

the women's doubles tennis cham-
pionship played here yesterday Suz-
anne Lenglen and Elizabeth Ryan

and Miss Mackay, 6-0, 6-1.

TIGERS MEET VARSITY.

Canadian Press Despatch.
Hamilton, Feb. 20.—With Herbie
Mitchell back in harness after an ill-
ness of one week, the Tigers will be
at top strength for their all-import-
ant struggle with Varsity at the
arena tonight. A defeat at the hands
of the students would almost mean
elimination for the Bengals, and with
this in view, Coach Ross will start
his strongest sextet against the wield-
ers of the quill.

BAKER MAY QUIT MAJORS.

Trappe, Md., Feb. 20.—Frank
"Home-Run" Baker, member of the
New York Yankees, feels he is get-
ting too old for major league com-
petition and announced today he would
like to play with the Eastern Shore
League, a class D minor league or-
ganization.

Sarnia Lacrosse Vets All in Fold

Last Year's Finalists Figure On
Copping Title This Season.

Sarnia, Feb. 19.—With snow still a
foot or so deep around these parts, the
lacrosse enthusiasts are commencing
their pre-season activities, and the an-
nual organization meeting is not very
far off. Sarnia lacrosse knocked
out St. Marys 1921 intermediate cham-
pions two games straight last year and
then lost one to Mimico in the semi-
finals. Lack of subs and the lack of
the greater part of the team were play-
ing their first season in lacrosse, was
the reason for their set-back over the
"Snoozers" Truchinski fund. Allan
Kinder, who refereed, paid five dollars
for that privilege.

St. Thomas, Feb. 20.—Great interest
will be taken locally in the outcome of
Wednesday night's second annual meet-
ing of the Southern Ontario Baseball
League that will be held at London.
President W. G. Gifford of this city
will be present, as well as other rep-
resentatives from St. Thomas. Whether
a six or four club league is formed, St.
Thomas is all amateur baseball this
year, and it is interesting to record
season were never brighter.

Bank of Montreal Stay in Running

Bank of Montreal kept in the race in
the Bankers' League by defeating Huron
& Erie in a play-off of a postponed
game yesterday by a 3-2 score. Huron
& Erie thought they were going to have
company in the cellar when they had the
Montrealers 2-1 in the second, but two
counters for the latter in the third upset
their calculations. Arscott and Simpson
were the stars of the mix.

The line-ups:
Bank of Montreal—Honeysett, Mc-
Dougall, Arscott, McDonald, Baker,
Bailey.
Huron & Erie—Reid, Templeman,
Judd, Guenther, McCallum, Simpson.

Walter Rollins, manager and captain
respectively, of the Columbia hockey
team, have been declared ineligible ever
again in Columbia in connection with

the team and frequently substituted for
eligible Columbia students.

They also defeated Seattle, but met a
reverse at Victoria. Edmonton now has
a five-point lead in the prairie loop
over Regina.

PRO. SKATERS AT ST. JOHN.

Canadian Press Despatch.
St. John, N. B., Feb. 20.—The pro-
fessional skating meet which will be
held here on Wednesday and Thursday
evenings is an important one for the
skaters as it is one of those which
counts in points in determining the
skater who is to have the opportunity
to meet Oscar Matheson, the world's
