Superior Back Division Points To London Victory In Opener Here Saturday

BOOTING ADVANTAGE OF LONDON GRIDDERS SEEN AS GOOD OMEN

Ability of Somerville and Foster Makes Heustis Clan Optimistic.

SARNIA SHAKEN UP

Programs and Numbered Players Will Be Innovations This Year.

A further stiff workout tonight and a lighter drill tomorrow evening is the immediate program for London's intermediate O. R. F. U. team in preparamediate O. R. F. U. team in preparation for its opening game against the Sarnia twelve at Tecumseh park here Saturday afternoon at 3 o'clock.

An innovation will be introduced this year in the matter of programs which, with each player wearing a number, with each player wearing a number, will give the fans a better conception of what is going on in each play.

Although the getaway date for the district group has been made a week earlier than that for which the local squad was preparing, new-theless the Londoners are not at all pessimistic as to the outcome of their initial fray with the tunnel city huskies. They point to the fact that they have the best back division that has worn London colors in many a moon, and there is plenty of better than average material in this department. Ross Somerville and Yip Foster, both of whom will be new to the Sarnians, promise to work a lot of havoc with their long booting. At present Somerville is punting the ball as far as "Red" Wilson ever did. Added to this he is hy far a better drop kicker, and again he has few superiors in the matter of ball carrying, one thing in which the famous "Red" generally fell down, figuratively and literally. tion for its opening game against the

ally.

Poster, who starred with the Balmy Beach seniors last geason, although younger than the other local back field men, packs a lot of distance in his kicking shoe and is fast on his feet.

Another thing that has served to increase the optimism in the camp of the red, white and black is the fact that Cowan, the backbone of the border band in previous seasons, has dropped out of the game. This has necessitated a shake-up in the Sarnia team, Karn moving up from the back field to take Cowan's place at quarter.

Unless a few dark horses have emerged from Sarnia high school er junior teams of last year, the borderers will be much the same, the addition of Chick Garvey and Boyett compensating to a degree for the loss of Cowan and Wilson, but one thing is certain and that is that with Wilson gone London will have a big edge in the booting department. Foster, who starred with the Balmy

CHATHAM JUVENILES

Beaten by St. Simon's Youngsters in Sudden-

Special to The Advertiser. Special to The Advertises.

Stratford, Sept. 30.—In a junior playoff game of the O. A. L. A., St. Simons kids trimmed Chatham, 18 to 2, here this afternoon, It was only fair lacrosse off game of the O. A. L. A. St. Simons kids trimmed Chatham, 18 to 2, here this afternoon. It was only fair lacrosse since the saints were all over their opponents, and at no time were in danger of being tied, much less beaten. The Chatham lads did not have the experience and lacked scoring punch. The winners now hook up with Brampton in the finals for the cup.

The scoring for the losers was done by McCallum and Johnson, while most of the team figured in the scoring for the winners. It was an exceptionally clean game and but sparsely attended. There were no penalties handed out, and only one minor accident. In the last period Ferkins of Chatham got in front of a hot shot on the nets and received a bad smash in the face, which, however, did not cause any serious injury.

Sarnia Observer:

"Prospects for senior basebail in most of the Ontario centers doesn't appear very bright for next season.

"There is a strong feeling in St. Thomas that the diamond pastime will be confined to the intermediate series. The balance sheet of the club didn't impress the management at all this year, and they are said to be adverse to taking any more chances this season.

son. "Galt isn't as enthusiastic over next season as they have been. The success of London and Preston this season has taken all the wind out of the sails of the former Intercounty and Southern the former Intercounty and Southern counties teams.
"In the Kent league things are feeling the pinch, Blenheim, it is said, will not be back in the running when next season rolls round. Chatham isn't as enthusiastic as it was, and it is well known fact that there was dissension in that city right from the start. "The big drawback locally next season will be a park. The athletic park, home of the Sarnia seniors during the past two seasons, will be closed, and unless the club is willing to play at Bayview park, the chances of senior representation here in 1926 don't seem so good."
