MAIL CARRIERS HAVE BIG DAY

**BERLIN AND GUELPH ENTER-
TAINED BY HAMILTON
POSTIES.**

**TORONTO MEN WERE ALSO
PRESENT.**

The mail carriers of the Berlin and Guelph post office departments were entertained by the Hamilton posties on Dominion Day.

The boys of Berlin and Guelph, 17 strong, left here on the 9 a.m. car to Galt, where they boarded a Grand Trunk train, arriving in Hamilton at about one o'clock. They were met at the depot by the Hamilton boys and escorted to the hotel where a sumptuous dinner was served. After dinner they took in a few of the sights of the Ambitious City, after which they all enjoyed several games of baseball in the park. Races were also an important feature of the day.

The Toronto staff of mail carriers, numbering 175 were also among the list of merry makers. From reports, everybody enjoyed themselves immensely, and when the day was over there were expressions of regret on having to part so soon.

The boys left Hamilton at seven o'clock, arriving in Berlin about 11:30, tired but happy.

FARMERSUES GUELPH COP

**WELLINGTON FARMER, WHOSE
BITTER WAS SEIZED FOR
SHORT WEIGHT, TAKES AN
ACTION.**

Guelph, July 2.—Joe Jeston, an Erasmus Township farmer, won out in an interesting case to-day, in which he sued the chief of police of Guelph for the price of 25 pounds of butter which the latter seized from him on the market in January, claiming that it was his weight.

No question was raised about the weight of the butter, the exception was taken, however, to the manner in which it was confiscated. There was no information laid against the farmer, and he did not appear before the magistrate. The city took the bitter on finding it to be light and gave it to the hospital, as the hospital had been kept very well supplied with butter since this way during the past few months, a good deal of interest was taken in the case.

There is a strong probability that other farmers and several butchers who also had their products confiscated without being convicted, may follow the example of Jeston and sue the chief.

BERLIN

BUSY DAYS AT PARK MANY PICNIC PARTIES

**SEVERAL BIG OUT OF TOWN
PARTIES ARRANGED.**

These are busy days in Berlin park circles. Almost every day new bookings for park dates by out of town picnic parties are made and when the season closes there will likely be a record list to the credit of the town and Victoria park.

A delegation of three was here on Thursday to arrange for a big picnic here in August, of the employees of the Toronto Consumers Gas Co. and their friends. The trio was comprised of H. Jefferson, P. Murphy and J. Somerville, and they said they had heard so much about Berlin park that they decided to come and see for themselves. They were so pleased with what they saw that they booked the park at once. They say they will bring a big crowd here.

The Toronto Guita Percha Company who had engaged the park for their outing, have had to cancel their picnic, as they are not able to secure cars from either the C. P. R. or G. T. R. This is caused by the demand for the Tercentenary. The Picnic Committee has written, expressing its disappointment, and promising to come next year. This year they will go to Niagara Falls by boat.

Another big party of visitors will be here shortly, when the Trainmen's Association of Hamilton, No. 226, will run a big excursion.

On July 14th, an Action Sunday School will come here.

On July 8th the Retail Merchants Association of Toronto will bring a big crowd.

The Preston Presbyterians have said they will be here July 4th; and the Guelph Baptists on July 10th.

July 18th, the Burns Club of Galt will be here.

The Bridgeport Evangelical Sunday School has had July 25th entered as their date.

On the holiday there were parties here from Winterbourne, Ayr and Paris.

RIGHTS ON ITS STREETS REMAIN THE PEOPLE'S

**MUNICIPALITIES VICTORIOUS
OVER DOMINION POWER**

Ottawa, July 2.—Representatives of several Western Ontario cities and towns had the good fortune to-day to be among those who witnessed the defeat in the private bills committee of the promoters of the bill to incorporate the Dominion Power and Development Company.

Mayor Stevely, of London, in a short speech, suggested that the bill be knocked out for this session and this proposal was accepted by the committee. After the representatives of the municipalities and several members opposed to the proposed legislation had been heard, the preamble was declared lost without a division. The bill apparently had no friends, the only person who spoke in its favor being Mr. Aime Geoffrin, K.C., who represented the promoters.

Hon. Mr. Graham and Hon. Mr. Bureau, minister of railways and solicitor-general, were not present when the private bills committee assembled this morning to consider the Dominion power bill.

There was considerable representation from municipalities interested, including Controllers Spence, Harrison and Ward, of Toronto; W. D. Lighthall, Montreal; Mayor Bowly, of Brantford; Mayor Geddes and City Solicitor Doherty, St. Thomas; Mayor Stevely and Ald. Booth, London; Mayor Sawell and Ald. Hearns, Woodstock; A. L. Breithaupt and Alderman Clement, Berlin.

Mr. Geoffrin stated that the company would be willing to accept an amendment limiting their operations to those municipalities in Ontario lying to the east of Cornwall.

Tos. Mulvey, K. C., who appeared on behalf of the Ontario Government, outlined the chief objections to the bill. The principle of the measure, he said, was bad, because while it was not set out that particular work was to be undertaken, it was deliberately designed for the purpose of over-riding the legislation of the provincial governments. The bill, he maintained, was without precedent. The works contemplated might or might not come under the jurisdiction of the Provincial Governments, but the company would have Dominion legislation at its back, which was sup-

posed to declare that the company would come under general laws, would be useless, because there is no general law which would be applicable. The bill, Mr. Mulvey declared, would open the door to a series of infringements of provincial legislation.

Arthur Glovesky, legal agent of the Quebec Government, opposed the bill on the ground that it was unconstitutional.

Mr. Doherty, city solicitor of St. Thomas, strongly opposed the bill. St. Thomas, he said, was a municipal ownership city, owning and operating all its public utilities. No company should have right to sell or distribute power without consent of the municipalities set forth in a by-law. There was nothing in this bill to protect the interests of the municipalities. Mr. Doherty claimed that year by year the cities and towns were losing control of their streets. In most cases they were now encumbered with poles.

Mayor Stevely, of London, in a vigorous two-minute speech outlined the principal objections to the bill, and was the first to throw out the suggestion that in view of the fact that the session was nearly over and that there would be another session before long, it would be a good idea to hold the measure over till all the municipalities could be heard from. In view of Mr. Geoffrin's willingness to accept an amendment confining the operations of the bill to points east of Cornwall there could not be any serious objections to this. There was unanimous regret, he said, on the part of the municipalities that it was proposed to give such wide powers to the company.

Mr. W. D. Lighthall, on behalf of the Union of Canadian Municipalities said that the principal reason for the opposition of the municipalities was that there was no clear or decisive protection of streets. The municipalities would be satisfied with a clause declaring point blank that streets could not be invaded without the consent of the municipalities, and that the event of a right of passage through one municipality to another that also should be regarded by the municipality. He drew attention to the unlimited powers of amalgamation which it was proposed to give the bill.

MORE SHOPBREAKING,--- ARRESTED ON SUSPICION

AFTERMATH OF A "SHIVAREE"

There was quite an exciting time in the North Ward on Tuesday night, at Mr. Hannusch's grocery on Ahrens street. His son Arthur had been making a big crowd of boys and young men congregated near the store and residence, and made night hideous by their chattering. Mr. Hannusch would not give them anything, so later on some of the party evidently decided to help themselves.

After midnight the store was broken into and a lot of cigars and tobacco was stolen. Several cases of soft drinks were also carried out to the railway track but the thieves evidently were disturbed for the full cases were found next morning. The yard round the store was littered with the remains of the instruments of the "shivaree."

A young man, A. Spielberger, was arrested by the authorities on suspicion and spent the night in the cell. This morning he appeared before the Magistrate and was remanded for a few days.

IN POLICE CIRCLES.

William Stockfish, R. Hollatz and Joe Meisniger were up before His Worship this morning charged with creating a disturbance and disorderly conduct, on Mr. Hannusch's property the night of June 30th.

The case was adjourned till next Friday morning at 10 o'clock, to wait further evidence and secure several other parties who are supposed to have been connected with this affair.

Some time, passed into the Great Spiritual World at eight o'clock this morning, at the age of 65 years. She has been for many years a resident of Berlin and was a zealous member of the church of the New Jerusalem.

She was revered by all who came within the circle of her beneficent friendship, for to all who were in need of her sympathy and aid. The friends will sympathize with the members of the family in their bereavement.

43 MEN AND BAND

TO GO TO QUEBEC TERCENTENARY FROM 29TH REGIMENT.

ORDERS ISSUED.

Capt. Ziegler, of the 29th Regt. received militia orders to-day relative to the men from the 29th who are to go to the Quebec Tercentenary. There are to be 43 men of all ranks, from the 29th Regt., and the regimental band. They leave here on July 17th, and will be away eight days. Captain Bechtel will be in command, with Captain Ziegler second and Lieut. Reid, of Galt, third. Lieut. Oliver, of Galt, has been chosen second in command of the composite force. Quartermaster Jardine and Sergt.-Major Barlow, of the 29th, are also to go.

A fund, being started to-day among the citizens to pay the men \$1.50 a day while they are away from work as the celebration committee provides only transportation and keep when in the city.

In connection with this the New Hamburg Independent says:

Eight men from the New Hamburg militia company are asked for toward making up a composite company from the 29th Waterloo Regiment to go to Quebec during the tercentenary celebration this month. Travelling expenses and subsistence only will be allowed to each man. The feeling among the men is that they cannot very well sacrifice their time unless they are paid the regular rates per diem. The Dominion Parliament appropriated \$300,000 for the purpose. The Ontario and other provincial governments and the cities and towns throughout Canada have subscribed liberally toward the above object. In view of the large amount of money to be expended, it looks rather pessimistic to ask the militia bands and men to put their hands in their own pockets to assist in making a successful display.

Mr. M. Wunder, of the Wunder Furniture Company, entertained the members of his shop staff, with their wives, at a picnic at the Grand River at Bridgeport on Thursday and everyone had a swell time. There were about 60 in the party and all are unanimous in declaring Mr. Wunder a whole-hearted host. All the lunch and refreshments were provided by him.

A baseball match was played between the married and the single men. The latter won, 3 to 0. Harry Hallman pitched for the married men and Geo. Roth for the single men. Both pitchers were out of condition. One who was there contributes some spicy notes, as follows:

Geo. Kugas master of ceremonies, and wore a rind of a ham as a crown to show his authority. He had his head pasteurized and a new crop of hair may soon be expected.

Joe A. went to pick what some one said was potatoes, but they turned out to be Canadian thistles.

Pete M. made a dash for the football and went over the edge of the bank into the river. All that was seen of him was the soles of his shoes, while the football went sailing down the river.

A contest between the Kuntz men and the Huehner men was won by the former, but the Huehner men went to bat later in the day and cleaned up.

The party came home in one of our music dealer's wagons, and the pumps were playing the Carrie Nation tune.

To-day everything is quiet at the Wunder factory, and it is no wonder.

Joe A. went to pick what some one said was potatoes, but they turned out to be Canadian thistles.

Pete M. made a dash for the football and went over the edge of the bank into the river. All that was seen of him was the soles of his shoes, while the football went sailing down the river.

A contest between the Kuntz men and the Huehner men was won by the former, but the Huehner men went to bat later in the day and cleaned up.

The party came home in one of our music dealer's wagons, and the pumps were playing the Carrie Nation tune.

To-day everything is quiet at the Wunder factory, and it is no wonder.

Mr. M. Wunder, of the Wunder Furniture Company, entertained the members of his shop staff, with their wives, at a picnic at the Grand River at Bridgeport on Thursday and everyone had a swell time. There were about 60 in the party and all are unanimous in declaring Mr. Wunder a whole-hearted host. All the lunch and refreshments were provided by him.

A baseball match was played between the married and the single men. The latter won, 3 to 0. Harry Hallman pitched for the married men and Geo. Roth for the single men. Both pitchers were out of condition. One who was there contributes some spicy notes, as follows:

Geo. Kugas
