A month or two ago some trustworthy hints as to the best method of taking the Russian com-mander, would have been highly acceptable to some masters of schooners. Most of those who had to do with him thought him when a male sapatese who seemed to accommon ager or guide was questioned, he promptly replied that the girls "would be all right," and admitted that the reports

" AN OBJECT ALL SUBLIME Asked as to how the laws of Japan, so strict where the exportation of women is concerned, were evaded, the Japanese having any knowledge of English smiled as with one accord.

"Married women can go anywhere," one of them volunteered, "they JUST GET MARRIED
and then come away." Of course the 'hus-bands' are left in Japan.

Four Victoria sealers, who left here early in the season on the Carmolite, formed another interesting party. They had taken the steamer at Hongkong, by instruction of the British Consul, and were very glad to reach home again. A fifth companion, David Att, by choice remained in China. The new arrivals were Joseph Sears, Thomas Darcey, Thomas Wilson and William Burns.

The first question was for their companions, the next for the Maggie Mac. On the settle, while houses will be provided for the settle, while houses will be provided for the settle, while houses will be provided for the ment looks somewhat strange, but further settle, while houses will be provided for the others, and occupations found at which they may be able to work. A branch office has been established in Yokohama, and already, a sum of over a thousand yen is available. It is stated that there are over 500 beggars in Yokohama

there are over 500 beggars in Yokohama alone. After the posting of advertisements as described above, the police authorities of Yokohama took steps to investigate the matter, and finding that the details of the scheme were not satisfactory, the projectors were ordered to suspend, further proceedings until their system could be placed on a sounder footing. They are said to be very indignant about this interference. Their object being to succor the mifortn. the mountains and rattling its bones Their object being to succor the unfortu-nate, and to put an end, as far as possible, to the public scandal of begging, they do not see why any official obstacles should be placed in their path, and they have accordpiaced in their path, and they have accordingly sent a deputation to wait upon the Governor of Kanagawa and submit to him a statement of their grievance. Doubtless their purpose is excellent, but when private associations undertake to assume charge of the lives of their fellow nationals, it is the unconstitutional of the constraints. t is the unquestionable duty of the authorities to see that satisfactory and trustworthy measures are adopted.—Mail.

STAGE ELOPEMENT. The last mentioned gentleman is well A Well-Known Married Theatrical Manager

who had left her home, where her family was quite prominent, to join Augustin Daly's Company here in New York. Miss Lake was at one time very well known on the stage, but for a little over a year, she has not been before the public. (Copyright, 1892, by Charles B. Lewis.) THE ARIZONA KICKER.

No. 11.-We are not the editor of The Kicker, who is also mayor of the town, state senator and the owner of the fastest running mule in the territory. We are not the horse editor on a salary of nine dollars per week. We are not the marine editor on a salary of seven dollars. We are simply a salary of seven dollars. We are simply the agricultural editor on a salary of six dollars, but gaining on it all the time. To us has fallen the sad duty of detailing the occurrences which caused such intense excitement in the town last Saturday, and which have been telegraphed all over the country. This duty devolves upon us because the editor is in hed with a knic. districts of Japan, and rinderpest is working terrible havoc among the cattle in many parts of the empire. the marine editor is nursing a gash in his cheek, and we are temporarily in charge of the greatest family newspaper in the west—subscription price two dollars per year, strictly in advance.

HE WAS AFTER RICH RED EDITORIAL BLACK

It is a well known fact that the editor and proprietor of the Kicker has for several years possessed a private graveyard. He began with one "plant," and under the began with one "plant," and under the most adverse circumstances, but by the exercise of diligence, perseverance and good judgment, he had, up to a year ago, increased the number to ten. Two years ago he bought an acre of sandy ground and enclosed it with a neat picket fence. The ground was sodded and set out with shrubs, times and former the ground was sodded and set out with shrubs, only one in the neighborhood to interest sightseers. It is the only private editorial graveyard in the west, and about the only ecreation our chief has had for two years past was in working about the enclosure with spade and rake. Last March, when the tenth misguided

critter was laid away to rest, our chief ex-pressed the earnest hope that he would be the last. Bad men were getting scarce, our esteemed contemporary wasn't worth powder and lead, and it did seem as if the hope of the great editor might be realized. But the skeleton of Fate was stalking over headed this way. | East Friday night there arrived in this town a man named Jim Kels. He was from Hardyville, over by Kels. He was from Hardy ville, over by the Black mountains. No one knows exactly why he came, but he was sized up by everybody as a bad man. Saturday forenon at 10 o'clock, as our chief was about to enter the Kicker office, he found the stranger at the door. Inside the office the horse editor was dashing off a half column on the mule as a factor in civilization. The on the mule as a factor in civilization. The marine editor was preparing statistics to prove that steamers drawing eight feet of manded. "Did you coolly and deliberately ing up an article destined to revolutionize the cactus industry of the great west. All was peaceful and serene.

was peaceful and serene.

Conditions Upon Which Strikers May Resume -The Town in Financial Difficulties.

PITTSBURG, Pa., Nov. 22.-The strikers applying for work at Homestead are required to sign an agreement to the effect not to belong to any labor organization and be governed entirely by the regulations of the Company. The rush for employment continues. Many of those who took the strikers' places are leaving and some are discharged, but most of them leave of their own accord. The borough of Homestead is in financial embarrassment, owing to a failtaken to relieve the stringency.

PORT TOWNSEND, Nov. 22. - (Special) The Navy department has established a branch hydrographic office in this city, and has instructed Lieut. H. F. Mayo to proceed here from Washington city and assume charge of the office. This will be the only hydrographic office on the Pacific Coast north of San Francisco.

TACOMA, Nov. 22.—Bonds for \$1,000,000 have been floated in the East by the way.
"It's a clothespin," replied Mrs. Bowser as she looked up. "I presume baby
brought it in from the backyard."

"Another evidence that this house is run
