The Vacant Judgeship.—There is considerable speculation as to the choice of a new provincial opposition leader in the event of J. A. Macdonald, K. C., being appointed to the supreme court bench in succession to Mr. Justice Duff. The name of F. C. Wade, K. C., of Vancouver, is also mentioned as a possible appointee.

Entertainment Arranged.—Harold Jarvis, actor, and Wallace Richards, reader, are making a tour of the East this autumn and have arranged to visit Victoria on the 9th of November. Both these gentlemen are famous east of the mountains and they are known by repute even here. Jarvis has been singing in public for a number of years yet his voice is as true as a bell.

Hex vs. Hannay.—In this case, which was traversed from the last Nynning session, owing to the illness of the plaintiff, the case has been adjourned. The judgment having been left over, a decision was given yesterday by Mr. Justice Martin, dismissing the motion with costs. Mr. Moresby appeared for the Crown, the accused not being represented.

Victim of Explosion.—Edward Morgan, the freeman who was killed by the explosion on the White Horse steamer Columbian on September 26th last, is a native of Liverpool. The following failed in all but one subject, and can take the McGill course on condition that they pass their subject failed in: Angus Molnnes, Stanley Ockell and Margaret Summerville.

Sanitarium Fund.—The work of meeting Hon. Mr. Dunsmuir's generous gift of \$10,000 towards a sanitarium for the cure and treatment of tuberculosis, is proceeding satisfactorily, several handsome subscriptions having already been received. The committee are anxious that those persons willing to assist should send their quota in as soon as possible. While large amounts from persons who can afford them are greatly welcome, yet the committee have in mind the public that the smaller sums are not less so when offered in the same spirit which is behind the workers in this movement. In fact it is thought that it should be left to the working classes to whom such an institution will be mostly beneficial, to make up the \$50,000 which is required to secure Hon. Mr. Dunsmuir's grant. In other words, if 50,000 persons will decide to give one dollar each, the grant would be obtained, and the larger amounts would of course aid in the attainment of the general object. Dr. Fagan will be glad to receive any sums, however small, for the work.

Annual Concert.—Prof. E. G. Wickens is now in full rehearsal for his fourteenth annual concert to be given by his pupils in the Institute hall, view street, Tuesday, October 9th. The programme is very interesting containing many special numbers, among which is a ladies' quartet for four voices, also a boy's quartet for four voices, a piano concerto violin solo, viola solo and two cello solos from M. J. H. Gordon. Also several orchestral numbers, among which are "The Love Song" and "The Swan" and "The Swan". Mrs. J. T. Legg will render that beautiful song (by Praelorius) "Whisper and I shall hear". Mr. J. H. Griffiths with his robust voice is down in "Love Song" and "The Swan" and "The Swan". Mrs. J. T. Legg will be heard with her rich tenor in "Mid the Hush of the Corn" and the old favorite, Mr. P. Gordon, will sing that ever popular song "Ashore". These concerts have always been very much appreciated and it is quite safe to say, considering the improvement made since, this will be no exception. The proceeds will be given to the Protestant Orphanage. It is under the patronage of His Worship the mayor and Mrs. McGieley.

Socialist Lecture.—The Old Grand Theatre will be in use again, for one night only, the 9th of October, when Walter Thomas Mills will lecture on "Political Economy". The Socialist club has been fortunate in securing this gentleman who is very well known throughout the states, and expecting a big house they have rented the Grand as stated above.

The company is constantly adding to its already fine equipment which is among the best in the United States.

These tickets are good to return until November 30. It is announced that this will likely be the last excursion of the season. The Northern Pacific Railway has given more excursions this year than ever before, and for 1907 will likely do as well or better.

Special Auction Sale.—On Thursday next, Williams & Janion, auctioneers, will sell by public auction the Douglas house, Elliott street with the conditions that it be removed within twenty-one days. Sir James Douglas, first governor of British Columbia, lived in this house and much interest, therefore, attaches to the old home. Doubtless many people will try and secure some of the old knobs, etc., as mementoes of Sir James Douglas. At the same time as the house is sold there will be offered the whole of the furniture of Mrs. O'Connor, who has lately been running a boarding house there.

The Imperial Limited.—It is expected that the Imperial Limited transcontinental train service of the C. P. R. will be discontinued on October 14. When the service is reduced to one train daily each way for the winter months, the route through British Columbia will be about over until next spring. However, owing to the enormous heavy travel into the Northwest, the C. P. R. will maintain a double daily train service each way between Montreal and Calgary. Last year this double service as far west as Calgary was in effect until New Year's Day. This year, however, traffic is expected to continue heavy throughout the winter, and the double service will be maintained throughout the year.

Mysterious Death.—Provincial constable Jones of Heriot Bay is at present busy investigating the mystery surrounding the body of an Indian found on the beach near a fishing camp on Malaspina Inlet, about eight miles from Lund. The body was found about twelve days ago and has been identified as that of an Indian from Clifton village, and the position in which it lay would indicate that it had been placed there with the idea that it would be carried away with the tide. The body bore marks of violence, and it appears to be the opinion of the police that the man was either murdered or killed in a drunken brawl, especially in view of the fact that just about the time the body was removed a drunken orgie had taken place among the Indians to whose tribe the dead man belonged.

Trades Council.—At the last meeting of the Trades and Labor Council, Delegate R. T. Williams presided, owing to the indisposition of President Gray and the absence of Vice President Carter. Credentials were received from S. Shanks, representing the Amalgamated Carpenters, re-affiliated with the council. E. W. A. O'Dell, general organizer for the Boot and Shoe Workers' Union, upon being introduced, was asked to say on the union label. He urged all present to insist upon having the union label in evidence on all goods purchased by themselves or by members of their families. Mr. Platt is at present engaged in organizing the bartenders, retail clerks, millmen and unorganized carpenters, and is meeting with success in his efforts. F. Plant, circulating clerk of the Labor Gazette spoke briefly in report from President Gray relative to his work at the Dominion Trades and Labor Congress was tabled until next meeting. General regret was expressed at Mr. Gray's illness, and a vote of thanks to him for his report was unanimously carried.

A first-class programme has been arranged, in which the following ladies and gentlemen will take part: Mrs. W. E. Stenhouse, Miss Jennie Bishop, Miss Murray, Miss Maggie Hill (Highland dancer), Miss Jesse Longfield, Mr. W. McMorran, Mr. Rosie (piper), Mr. Taylor, Mr. Hill (Highland dancer). Refreshments will be served by the ladies.

Purchased Residence.—One of the two new houses now in course of construction on Heywood avenue by Messrs. Moore & Whittington was sold yesterday to Mrs. Alice Crompton, a resident of Third street. Although the two houses are a long way from being completed, the builders have received a number of inquiries from intending purchasers, demonstrating the fact that suitable property is eagerly sought after by the prosperous citizens of Victoria. The purchasing price was in the neighborhood of \$7500.

British Columbia Cheese.—One of the latest of the home industries to be brought before the public is that of cheese manufacture. Messrs. F. R. Stewart & Co. of Yates street are now handling a sample of this commodity, the first fruits of this new departure and the product of the British Columbia Cheese Company of Langley. The new provincial product is of the highest order and compares favorably with cheese produced by the old established factories of Ontario and cannot fail to recommend itself to consumers generally.

Railway Men Coming.—W. R. MacInnes, of Montreal, freight traffic manager of the C. P. R., will arrive in Vancouver on Tuesday next on their annual tour of the West. They are now in the Kootenay, having come through by the Crow's Nest Pass branch. From Vancouver the traffic officials will come to Victoria. They will probably be on the Coast for ten days or two weeks.

Babine Trouble Settled.—News of a satisfactory nature was received Thursday by the provincial ministry from the government agent at Hazelton with regard to the position of affairs on the Babine river where, as will be remembered, the Indians were in a state of revolt against the authorities in consequence of the destruction of dams erected by them for the capture of salmon in a manner contrary to law. The latest advice received are to the effect that these strained relations have now been brought to a happy termination by the surrender of the nine natives who were the prime movers in these acts of insubordination and menace to the authority of the government and that matters will now settle down on the basis of arrangements formulated by the local government officials.

Island Mining Progress.—Leonard Frank and party have returned to Alberni from the interior of the island, after an unusually successful trip. Mr. Frank states that the Big Interior mine, they are about to develop, is a big thing. When he visited the camp, the Astrakhan, on the adjoining gold property, was running day and night. Many prospectors are exploring the interior of the island, and several parties representing English capital were met going in. W. J. Sutton and party were also met going up to the Big Interior. Mr. Frank succeeded in getting about 35 tons of ore, and was taken in the interior of Vancouver Island. Among others he took a series of views from the peak of the highest glacier, showing the west coast. Great Central Lake, Alberni Canal, Crown Mountain, etc. A beautiful photograph was taken of a plume of smoke on the snow on top of Big Interior mountain.

Song Recital.—Gogorza, who comes soon for a song recital, need only repeat the tremendous success of last season when he sang at the Big Salt Lake tabernacle with Emma Eames and the "News" said of him: "another artist who swept the audience off their feet with enthusiasm and the baritone Emilio de Gogorza. With a magnificent voice, fine presence and a magnetic temperament which proclaimed the actor as well as the singer, he had not uttered a dozen notes before his audience was enthralled and at the conclusion of the 'prologue' a perfect uproar ensued. There is more interest and enthusiasm over the coming of this famous baritone at the Victoria Musical societies opening at the residence of Mr. and Mrs. R. Croft, Yates street, where the evening was pleasantly spent in music and socialization. The splendid supper provided was tendered by Mr. and Mrs. Croft. Many useful and pretty presents were given, and the evening was a most successful one. Mr. and Mrs. Croft, Yates street, where the evening was pleasantly spent in music and socialization.
