Let no one be surprised at the high Mount Vernon about 11 o'clock on Saturday. Discovering the case to be highly alarming, and foreseeing the fatal tendency of the disease, two consulting physicians were immediately sent for, who arrived, one at 3.30 and the other at 4 o'clock in the afternoon. In the interim were employed two copious bleedings, a blister was applied to the part affected, two moderate doses of calomel were given, succeeded by repeated doses of emetic tartar, amounting in all to five or six grains, with no other effect than a copious discharge.

Let no one be surprised at the high character of the testimonials received by the proprietor of Dr. Agnew's Catarrhal Powder. This medicine merits the best things that can be said of it, for be the trouble cold in the head, Catarrh, Hay Fever or Catarrhal Deafness, relief is so speedy and effective that it charms all.
