HARRIS & CO. PROPRIETORS
WATFORD, OCT. 26, 1906.

Typhoid Prevalent.

The Provincial Board of Health are becoming alarmed through the spread of typhoid fever, especially throughout the older parts of the province. They say it is far more prevalent than was anticipated. In eleven cities and towns outside of Toronto, comprising a population of fifty thousand, reports indicate that within a short time there have been 163 cases of typhoid fever. The cause of such a large number of cases is contended by the board to be due to the neglect of physicians and householders to report the cases to the local health officer. Instances where an undesirable condition of affairs existed are known of in connection with boarding houses where the landlady had nursed the patient and at the same time attended to the cooking. The law says that a heavy fine shall be imposed upon physicians and householders who neglect to report such cases and word has been received to put the law in force.

WARWICK.

Miss Susie Luckham spent Thanksgiving with friends in Petrolia.

Mrs. Noble, of Inwood, is in charge of the Kelvin Grove school at present.

Mrs. George Harris, Springfield and Mrs. A. Cuddy, Strathroy, are visiting their mother, Mrs. John McPherson, 18 side road.

W. H. Luckham picked ripe strawberries last week from his garden, which were covered with over a foot of snow the previous week.

Robt. McCormick, of Warwick, was in Sarnia last week with a team of horses which he sent up to Pt. Arthur on the steamer Monarch.

Mr. Colin Hagle, of Birnam, left Tuesday morning on an extended trip to Portland, Salt Lake, San Francisco, Vancouver, and other western points. Mr. Hagle expects to be away about nine months.

Mr. T. P. Morris, of Warwick Village has accepted a position as traveller with the wholesale drug firm of Northrop & Lyman, Toronto. Mr. Morris' territory will probably be in Nova Scotia.

John Williamson, 4th line, returned from Manitoba last Thursday. He met a number of former fourth line residents and all appeared to be prospering. Wm. Spruay recently disposed of his property for \$12,000.

Some sneak thief recently broke into Mrs. Morris' woodshed and helped themselves to a good supply of wood. The guilty party may be supplied with free fuel and lodging unless they mend their ways.

Mr. and Mrs. C. Hagle, Birnam, left for Kamloops, B. C., on Tuesday, where they will spend the winter. Mr. Hagle has been in poor health for some time and his many friends hope the change may prove beneficial to him.

Dr. Fred Wiley, Pinnebo, Mich., was home last week attending the funeral of his brother, the late Nelson Wiley. Dr. Wiley, of Brantford, Dr. W. D. Wiley, of Dresden, and Dr. Crammer, of Bay City, were also here for the funeral.

Mr. Albert Crocker, of Vancouver, who has been here several days, has sold the homestead, lot 13, con. 6, consisting of 100 acres, to the present tenant, Wm. Gare, also his own 50 acres to John Gare. As soon as matters are settled, Mr. Crocker will return to Vancouver.

Miss Gertrude Campbell, second daughter of Mr. and Mrs. R. Campbell, 2nd line, N.E.R., is ill with typhoid fever. This is the second case of fever in the family, their third daughter Mabel having died of it in Sept. Miss Campbell's speedy recovery to health is sincerely hoped for by all.

The funeral of the late Nelson Wiley took place on Thursday forenoon of last week, and was one of the largest ever seen in this section. Scores of friends came from a considerable distance to pay the last tribute of respect to the departed. The service was conducted by the Rev. A. E. Hannasohn, of Nissouri, a former pastor, internment in the West Adelaide Cemetery. Five brothers and a brother-in-law bore the remains to their last resting place.

Many friends throughout the township were pained to hear of the death of Mrs. Charles Hawkins, which occurred at her home, lot 5, con. 1, N.E.R., on Monday after a two week's illness with typhoid. Mrs. Hawkins, who was in her 46th year, was the only daughter of Mr. and Mrs. R. Wilkinson, Warwick Village, and was respected and esteemed by all who knew her for her amiability and kindness of disposition. She leaves to mourn her loss a sorrowing husband and a family of three sons and one daughter, Ernest, the eldest son is a student at Huron College, London. The funeral on Wednesday afternoon to St. Mary's cemetery was very largely attended. The Rev. P. G. Newton, of Parkhill, and Rev. W. M. Shore conducted the service.

The pupils of S. S. No. 4 gave an entertainment in the school on Friday afternoon of last week. Many of the parents and a number of the former pupils were present. Mr. S. P. Brown acted as chairman. After a very interesting program by the scholars which all enjoyed, Messrs. Nicholas and Thomas Luckham, two old pioneers, sang a couple of songs which were well received. Messrs. S. P. Brown and W. H. Luckham made short speeches enlogistic of Miss Anderson as a teacher. They were pleased with the way the

school was being conducted and regretted the fact that they had not visited the school oftener. The program was brought to a close by the singing of, "The Maple Leaf Forever" by the school.

Anglican Churches Will Hold Special Services.

Next Sunday will be observed throughout the Episcopal churches in the Diocese of Huron as a Jubilee Sunday, to celebrate the inauguration of the Diocese of Huron as separated from the Diocese of Toronto.

On October 2nd, 1857, the Diocese of Huron was separated by letters patent issued by Queen Victoria, and the late Bishop Cronyn was the first bishop appointed. Bishop Cronyn was consecrated by the Archbishop of Canterbury on the twenty-eight of October, 1857, so that next Sunday will be the fiftieth anniversary of the consecration.

In the Diocese of Huron at the present time there are 234 congregations, and 160 clergymen. It takes in thirteen large counties. Bishop Cronyn was succeeded by Bishop Hellmuth, who held the incumbency until he went to England, and then the late Bishop Baldwin took charge of the diocese. At his death Bishop Williams was appointed to the vacancy, and has had charge ever since.

Bishop Williams will preach the anniversary service at St. Paul's Cathedral on Sunday. A thank offering will be taken up all over the diocese, and it is expected that twenty thousand dollars will be obtained, which will be devoted to the completion of the endowment of the Episcopal Fund.

The Bishop has compiled and sent out pamphlets entitled, "What the church stands for," and they are being distributed all over the country. The pamphlet gives a concise history of the English church particularly with reference to the Canadian church.

VETERAN GRANTS GIVEN.

Government Will Open Up Six Townships in New Ontario.

Toronto, Ont., Oct. 23.—The government has decided to throw upon for exclusive settlement by those entitled to take up locations under the Veteran's Land Grant Act six new townships in Northern Ontario. These are six square mile townships and each will accommodate 144 locatees, an aggregate of 864. The townships are Burk, Revell and Horton in the northern portion of districts Algoma and Carnegie, close to the Matagami river and Murphy and Hoyle near the Porcupine river in the district of Algoma. The land is good clay land. Applications from veterans who desire to surrender their certificates entitling them to land grants for \$50 cash under the terms of the amended act of last session continue to pour in. Fifty thousand dollars was voted at last session of the legislature for this purpose, enough to meet 1,000 demands. Nine hundred and sixty-one certificates have already been surrendered and at the rate applications are now coming in it is expected that shortly the remaining 39 surrenders necessary for the exhaustion of the vote will have been made.
