News From Alpena, Mich.

DEAR EDITOR :—We little thought when we left Lambton County that we should be gone so long, but we are here, and here is time, and we enjoy the lake breeze every day. The crops are progressing good and everything looks green. It seems good to meet so many old friends. Bo's Stepler, of Strathroy, is partner in a firm conducting two fine drug stores. He married an Algoma girl, and is doing most of the fine family grocery business. He has just sold out a fine shoe business. Robert Garrett and wife, of Kerwood, superintend the county farm. Several McDonald's boys and their sister, Mrs. Clayton Broadwell, formerly of Lambton Co., are here. Mrs. Broadwell is a mother of five fine family all doing well. Jas. B. Hobbs, formerly of Watford, and son Norman Hobbs, are in the dairy business. Norman is married and has a beautiful child, Norma, of whom he and Mrs. Hobbs are justly proud. Arthur Hobbs, of Birmam, is a son of the late B. of the large, Newell's. The Walches of Alvinston were here for a while. Ira Case, formerly of Napier, conducts a thriving blacksmith business. His son Herbert, practices medicine at Mikado, he is married and has two children. Mr. and Mrs. Wesley Craighead, of the large, Newell's, have two fine young men belong to them. We meet more people every day, and if you think this interesting enough to publish I'll write again soon. Many favorable expressions for Reciprocity with our country are heard here. We thought of you all on Victoria Day. Good wishes to all old friends.

Yours lovingly,
WM. BROWN.

A BAD BACK

is a Warning that the Kidneys are Sick.

A dull back turns every twenty-four

hours into one dull round of pain and misery—you are lame in the morning, dragged all day by a dull throbbing back ache, can't rest in the evening or sleep well at night. It hurts to bend over, straighten up, get up from a chair, or lift even a light weight. Any sudden twist, turn or sudden movement sends a tearing twinge of pain through the weak spot.

Booth's Kidney Pills reach the weak spot, the kidneys, and quickly restore kidney health and comfort. They are guaranteed. All dealers and druggists, 50c., or postpaid from The R. T. Booth Co., Ltd., Fort Erie, Ont. If you would like to test them free write for a trial box. Sold and guaranteed in Watford by T. B. Taylor & Sons.

A. Wolsey, E. Racher, Bert McKillop and Gid Brown, of Petrolea, left Monday for Edmonton, thence 400 miles north to Fort McMurray, where they will sink wells for the Dominion Government, under the management of A. Violetta, of Edmonton.

"Marvelous Recovery"
Montreal Man So Ill With
Dyspepsia Thought
He Would Die.

No more convincing evidence was ever put on paper than the following letter from one of Montreal's well-known citizens, Mr. D. R. Larose, of 338 Joliette street.

"I wish to write you a few words concerning Dr. Hamilton's Pills. I suffered from dyspepsia and indigestion for five years. I suffered so much that I could hardly attend to my work. I was weak and had no courage. I enjoyed no rest until I decided to follow your treatment after having read your advertisement in the 'Papez'. To my great surprise I immediately began to feel better. I am now using the second box and I feel so well that I want to tell you that I feel this great benefit from your famous pills. I recommend them to every person who is suffering from dyspepsia. Your grateful servant, D. R. Larose, 338 Joliette st., Montreal, P.Q."

Let all who have weak stomachs, and those who suffer with indigestion, biliousness, or nervousness, know that they can be perfectly cured by Dr. Hamilton's Pills. Successfully used for many years, mild and safe, 25c per box, all dealers. Sold by the Cataraquoze Co., Kingston, Ont.

Coughs, Colds Bronchitis

If there is an ailment in the throat or chest, it is surely essential that the remedy be conveyed direct to the affected parts. The only way of doing this is by inhaling the vapor of Catarrhazone into the sore, irritated throat and bronchial tubes, because its balsamic fumes kill the germs and destroy the cause of the trouble. These are the reasons why Catarrhazone never yet failed to cure a genuine case of Catarrh, Asthma, Bronchitis, or Chronic Croup. The vapor of Catarrhazone instantly reaches the furthest recesses of the lungs, produces a healing, curative effect that is permanent, and leaves no residue, which goes merely to the stomach and falls entirely to help the throat and lungs.

There is a permanent cure for whooping cough, your coughs, sneezing and catarrh, by all means use a tried and proven remedy like Catarrhazone. But beware of the substitutor and imitator. Catarrhazone only, 50c and \$1., at all dealers.

Twenty pounds of cloves a year are produced by an average ten-year-old tree.

Winston Churchill, the young English statesman, once began to raise a mustache, and while it was still in the budding stage he was asked at a dinner party to take out to dinner an English girl who had decided oppo-sing political views. "I am sorry," said Mr. Churchill, "we can't agree on politics." "No, we can't," replied the girl, "for to be frank with you, I like your politics about as little as I do your mustache." "Well," replied Mr. Churchill, "remember that you are not really likely to come into contact with either."

TESTED BY TIME.—In his justly-celebrated Pills Dr. Parmelee has given to the world one of the most unique medicines offered to the public in late years. Prepared to meet the want for a pill which could be taken without nausea, and that would purge without pain, it has met all requirements in that direction, and it is in general use not only because of these two qualities, but because of its power to possess alternative and curative power in every place in the front rank of medicines.

Queen Mary has honored his invention

Queen Mary has banned big hats, low-necked dresses and tight skirts for outdoor functions, but orders that skirts shall touch the ground. She has done well in the first three cases, but why go back to the street-sweeping and germ-collecting dresses? The short skirt has been the only rational feature of feminine fashions for years.
