WANSTEAD
 A meeting of the Wanstead Farmers' Club was held in the school house last Thursday and was well attended. The secretary, Arch. Williamson, gave full report of the recent convention held in Toronto of The U.F.O. Live Stock Shippers

Association. At the close of his remarks he said there appeared to be a question in the minds of some people as to whether the Club was doing as much business this year as formerly and he submitted a report for this year and last up to April 14th, which showed twice as many hogs had been received this year than last and nearly five times as many cattle with an increase of about a third in calves, lambs and

To women everywhere Spring brings all the many problems embraced in the word "hats." Not the least of these is the natural question, "Shall I wear last season's straw which only needs a different color and new trimming to suit me exactly, or shall I experiment with a new straw which may not look well on me at all?"

Why not let Elkay's Straw Hat Dye settle the question? With this inexpensive dye you can make last season's straw look new and different so quickly and easily you will wonder why you didn't try it long ago.

The results will delight you and you will save considerable toward other Spring apparel.

Elkay's Straw Hat Dye is permanent and waterproof, dries quickly to a lasting, lustrous color and actually restores life to the straw. Directions and brush with each bottle.

Select your favorite color from the following: Dull Black, Liberty Blue, Burnt Straw, Old Rose, Violet, Natural, Gloss Black, Navy Blue, Gray, Cerise, Sage Green, Cardinal Red, Yellow, Cadet Blue, Brown, Lavender.

sheep. After a short discussion Mr. Smale gave an address on the political questions of the hour which was much appreciated. Delegates were appointed to attend the convention to be held in Watford May 15. The Club shipped a car of cattle Friday and will load hogs on Saturday, May 12. As illustrating the fact that hog grading pays if you have the right type of hogs. Mr. Jardine 8th con., Enniskillen, had six hogs in the last shipment and all graded select. Mr. Jardine could not get a grading from the local buyer so brought them to Wanstead. He has never shipped with the Club before owing to the distance, but the 10 per cent. premium on those hogs certainly made it worth while. They weighed 1240 lbs. Ship your good hogs with the Club and get your own.
