## LET US REASON TOGETHER.

## HOLLOWAY'S PILLS.

## WHY ARE WE SICK?

It has been the lot of the human race to be weighed down by disease and suffering. HOLLOWAY'S PILLS are specially adapted to the relief of the WEAK, the NERVOUS, the DELICATE, and the INFIRM, of all climes, ages, sexes, and constitutions. Professor Holloway personally superintends the manufacture of his medicines, and offers them to a free and enlightened people, as the best remedy the world ever saw for the removal of disease.

## THESE PILLS PURIFY THE BLOOD

These famous Pills are expressly combined to operate on the stomach, the liver, the kidneys, the lungs, the skin, and the bowels, correcting any derangement in their functions, purifying the blood, the very fountain of life, and thus curing disease in all its forms.

## DYSPEPSIA AND LIVER COMPLAINTS.

Nearly half the human race have taken these Pills. It has been proved in all parts of the world, that nothing has been found equal to them in cases of disorders of the liver, dyspepsia, and stomach complaints generally. They soon give a healthy tone to those organs, however much deranged, and when all other means have failed.

## GENERAL DEBILITY. ILL HEALTH.

Many of the most despotic Governments have opened their Custom Houses to the introduction of these Pills, that they may become the medicine of the masses. Learned Colleges admit that this medicine is the best remedy ever known for persons of delicate health, or where the system has been impaired, as its invigorating properties never fail to afford relief.

## FEMALE COMPLAINTS.

No Female, young or old, should be without this celebrated medicine. It corrects and regulates the monthly courses at all periods, acting in many cases like a charm. It is also the best and safest medicine that can be given to children of all ages, and for any complaint; consequently every family should be without it.

Holloway's Pills are the best remedy known in the world for the following Diseases:—

## AYER'S PILLS,

A new and singularly successful remedy for the cure of all Bilious diseases—Constipation, Indigestion, Jaundice, Dropsy, Rheumatism, Fever, Gout, Humors, Nervousness, Irritability, Inflammations, Headache, Pains in the Breast, Side, Back, and Limbs, Female complaints, &c. &c. Indeed, very few are the diseases in which a Purgative Medicine is not more or less required, and much sickness and suffering might be prevented, if a harmless but effectual Cathartic were more freely used. No person can feel well while a costive habit of body prevails; besides it soon generates serious and often fatal diseases, which might have been avoided by the timely and judicious use of a good purgative.

This is alike true of Colds, Feverish symptoms, and Bilious derangements. They all tend to become or produce the deep seated and formidable dyspepsia which load the bowels all over the land. Hence a reliable family physic is of the first importance to the public health, and this Pill has been perfected with consummate skill to meet that demand. An extensive trial of its virtues by Physicians, Professors, and Patients, has shown results surpassing anything hitherto known of any medicine. Cures have been effected beyond belief, where they not substantiated by persons of such exalted position and character as to forbid the suspicion of untruth.

Among the eminent gentlemen to whom we are allowed to refer for these facts, are

PROF. VALENTINE MORRIS, the distinguished Surgeon, New York; and the City of Lowell, who has long used them in his extensive Practice.

DR. J. C. MOORE, M. D., an eminent Surgeon and Physician, of the City of Lowell, who has long used them in his extensive Practice.

DR. C. A. DAVIS, M. D., Capt. and Surgeon of the United States Marine Hospital, at Chelsea, Mass. Did space permit, we could give many hundred such names, from all parts where the Pills have been used, but evidence even more convincing than the certificates of these eminent public men is shown in their effects upon trial.

These Pills, the result of long investigation and study, are offered to the public as the best and most complete which the present state of medical science can afford. They are compounded not of the drugs themselves, but of the medicinal virtues only of Vegetable remedies, extracted by chemical process, in a state of purity and combined together in such a manner as to insure the best results. This system of composition for medicines has been found to be the most effective, and the Pills are a more efficient remedy than had hitherto been obtained by any process. The reason is perfectly obvious. While by the old mode of composition, every medicine is burdened with more or less of acrimonious and injurious qualities; by this, each individual virtue only that is desired for the curative effect is present. All the hurtful and acrimonious qualities of each substance employed are left behind, the curative virtues only being retained. Hence it is self-evident the effect should prove as they have proved more purely remedial, and the Pills a surer, more powerful antidote to disease than any other medicine known to the world.

As it is frequently expounded that my medicines should be taken under the counsel of an attending Physician, as at all cost not properly judge of a remedy without knowing its composition, I have supplied the accurate Formula by which both my Pills and Pills are made to the whole body of Practitioners in the United States and British American Provinces. If however there should be any who have not received them, they will be promptly forwarded by mail to his address.

Get all the Patent Medicines that are offered, how far they are from being free, at his office, or sent to order, prepaid on receipt of a paper postage stamp.

The composition of my preparations is laid open to all men, and all who are competent to judge on the subject, freely acknowledge their convictions of their efficacy, and the Pills are the best remedy known to the world.

Being sugar wrapped they are pleasant to take, and being purely vegetable, no harm can arise from their use in any quantity.

For minute directions, see the wrapper on the Box.

Prepared by JAMES C. AYER, Practical and Analytical Chemist, Lowell, Mass.

## E. D. SPEAR, INDIAN DOCTOR,

15 Kneeland Street, BOSTON, Mass.

THE great success which has ever attended the Indian Practice of Medicine, as perfected by E. D. SPEAR, M. D., excites every one in the hearts of the many advocates of Mercury. Many of his remedies, as the public have already learned from newspapers of the day, are prepared from recipes which are believed to have originally been received from the Indians one hundred and seventy years ago. No other remedies deserve the name of Indian.

DR. SPEAR'S GREAT INDIAN MEDICINES.—(For names and description see his "Family Physician," to be had, free, at his office, or sent to order, prepaid on receipt of a paper postage stamp.)

Are certain cures for Asthma, Ague and Fever, Croup, Whooping Cough, Bronchitis, Cancer, Canker, Colds, Consumption, Coughs, Costiveness, Cramps, Debility, Diabetes, Derangement of the Bowels, all humors in the blood, Giddiness, Headache, Inflammation of the Eyes, Jaundice, Kidney Complaints, Liver Complaints, Loss of Hair, Lumbago, Milk Leg, Nightmare, Palpitation of the Heart, Pains in the side, back, and other parts of the body, Pustular Eruptions, Pile Worms, Rheumatism, Salt Rheum, Scald Head, Scrofula, Shortness of Breath, Sore Throat, Spinal Complaints, Strangury, &c.

Dr. Spear's Female Medicines have become very celebrated, and it is now admitted that his treatment of Female Weaknesses, Eruptions, Vitis, Irregularities and Suppressions is far superior to every other treatment for these complaints.

It is also celebrated in the treatment of children. His medicines being vegetable, do not poison the eyes.

Dr. Spear is now being visited by one thousand patients every month, some of whom travel hundreds of miles to consult him and to obtain his medicines.

Dr. S. will warrant a cure in every curable case. After giving his remedies a fair trial, if a cure is not effected, he will pay any other physician, who will effect a cure, his bill, not exceeding \$100.

Persons at a distance can consult him by letter, enclosing a stamp to pay the answer.

Dr. Spear consults with patients at his Office No 15 Kneeland Street, upon all conditions and diseases of the system, free of any charge.

## A MARVELLOUS REMEDY FOR A MARVELLOUS AGE! Holloway's Ointment.

## THE GRAND EXTERNAL REMEDY.

By the aid of a microscope, we see millions of little openings on the surface of our bodies. Through these, this Ointment, when rubbed on the skin, is carried to any organ or inward part. Diseases of the Kidneys, disorders of the Liver, affections of the Heart, Inflammation of the Lungs, Asthma, Coughs and Colds, are by its means effectually cured. Every housewife knows that salt passes freely through bone or meat of any thickness. This healing Ointment far more readily penetrates through any bone or fleshy part of the living body, curing the most dangerous inward complaints, that cannot be reached by other means.

## ERYSIPELAS, RHEUMATISM AND SCORBUTIC HUMORS

No remedy has ever done so much for the cure of diseases of the Skin, as this Ointment. They may assume, as this Ointment—Scoury, Sore Heads, Scrofula, or Erysipelas, cannot long withstand its influence. The inventor has travelled over many parts of the globe, visiting the principal hospitals dispensing this Ointment, giving advice as to its application, and has thus been the means of restoring countless numbers to health.

## SORE LEGS, SORE BREASTS, WOUNDS & ULCERS.

Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sores, wounds, ulcers, glandular swellings, and tumours. Professor Holloway has dispatched to the East, large shipments of this Ointment, to be used in the worst cases of wounds. It will cure any ulcer, glandular swelling, stiffness, or contraction of the joints, even of 20 years' standing.

## PILES AND FISTULAS.

These and other similar distressing complaints can be effectually cured if the Ointment be well rubbed in over the parts affected, and by otherwise following the printed directions around each pot.

Both the Ointment and Pills should be used in the following cases:

- |                    |                             |
