

round (as the arm or thigh, etc.), the narrow bandage should be used, its centre being placed over the dressing, and the ends being carried round the head or limb, as the case may be, and tied over the wound.

FIG. 63.

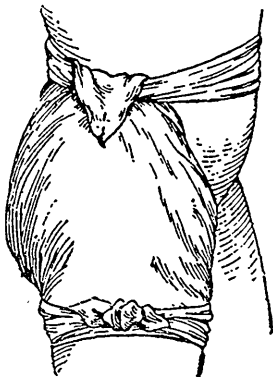

FIG. 64.

For the Shoulder (Fig. 63). Place the centre of a bandage on the shoulder, with the point running up the side of the neck; fold a hem along the base; carry the ends round the middle of the arm and tie them. Place one end of a broad
