

Contractors' Equipment Of All Descriptions

"Marion" Steam Shovels

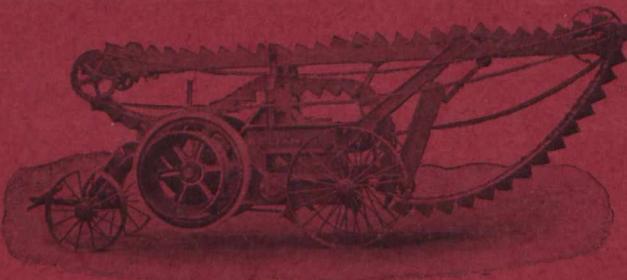

— FOR —

Railroads - Mines - Contractors

We furnish "Marion" Steam Shovels in all sizes, in both standard and revolving types.

"Kilbourne & Jacobs" Dump Cars

We offer these cars in all capacities for any gauge track. There is no better car on the market. These cars have pressed steel underframes. Angle of dump is 45 degrees. The construction and material used are the best. The working parts are of steel, the use of castings being avoided.

"Reliance" Rock Crushers

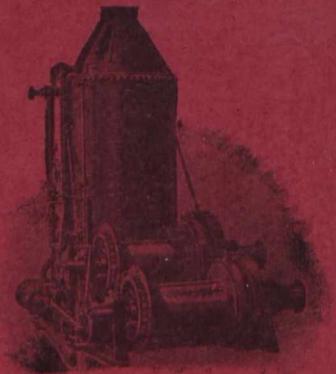

We furnish crushers in all sizes either for portable or stationary work. Crushing plants designed to suit your special requirements.

Hoisting Engines

All sizes—for all classes of work

When you require equipment of any description it will pay you to get our proposition.

"Ransome" Concrete Mixers — "Industrial" Cranes
"Davenport" Locomotives — Steel Rails, etc., etc.
