The Care of all the Churches. By THOMAS MUNNELL.

Being a Scriptural Statement of the Character, Qualifications, Ordination and Relative Duties of the Christian Ministry, Evangelists, Bishops and Deacons, with Special Directions as to the Practical Details of a Successful Ministerial Life, both in the Spiritual and business aspects of the work.

It takes in the whole wide field of Church care and management, the formation and organization of churches, the rehabilitation of disordered churches, the raising of the finances, the care of the poor, the discipline of the unruly, the conditions of success in church work, the Sunday-school, prayer-meetings, social meetings, the preacher and the preparation of his sermon, his work in and out of the pulpit, the Lord's Supper, and a closing chapter on "Miscellaneous." If every preacher, pastor and church officer would secure and study this book, the result would be manifest in better work, fewer blunders, more efficient care of the churches, and a better organization of our abundant resources for moving onward in the work of the Lord. RUPTURED PERSONS

Read this letter from another Toronto Citizen. To J. Y. Fran, Truss Manufacturer, Etc., 266 West Queen Street, Toronto, Ontario

DEAR SIR - I have been ruptured about thirty-three years. My sufferings during that time have been intense and can only be appreciated by those similarly afflicted. My business as carpenter and joiner (as all know) demands considerable muscular exertion, frequently have I been compelled to quit work, although at the time wearing Trusses made by the most prominent makers. I could not stand erect, and often had to lie down to ease my sufferings. All the Trusses I have worn have been utter failures. It has been one long round of misery and mental anxiety, loss of time and physical torture. About six months ago, thank God, I heard of your great success in the treatment of Rupture cases. The appliance you adjusted gave me, I can well remember, a feeling of support never before experienced by me, and has so continued to the present day. I am now comparatively a new man. Previous to this I could not stoop to tie my shoes, no matter what Truss I had on. If I got all Toronto, without my rupture coming out. To add to the difficulty I have suffered with a violent cough for years, but in the face of all this your great appliance has held me secure all the time while doing the hardest work. Only two days had I carried a load of green shingles up on a two-story building and not a "judge." I never could do that attempt, such a thing before without danger of my life. To crown all, I have worn and continue to wear your appliance with great comfort for all of which I feel deeply indebted to your skillful treatment. Very truly yours, 126 Teranlay St. Toronto. DONALD McRIVNA.
