

\$12.50 at Catesbys IN LONDON BUYS A \$25.00 Canadian Suit

You've heard that clothes are cheaper in England, and you know that you can't beat English fabrics.

But do you know that about two thousand Canadians buy their clothes every year direct from us, and save about one-half what they would have to pay if they bought them in Canada?

This is the reason why: We not only sell a suit of fine English wool, beautifully tailored in the latest Canadian, New York or London style—as they prefer—but we sell them at manufacturer's cost.

Canadian tailors buy goods only in small suit lengths. Four profits come out of the cloth before it reaches them. Whereas we—buying all suitings direct from the mills—save these four profits and give you the benefit of the saving, and still make a fair profit ourselves.

We will prove it to you without a cent of obligation on your part. Just sign and return the coupon below, and we'll send you our Style Book, 72 pattern pieces of cloth, a letter explaining our system of doing business, self-measurement chart, tape measure, and testimonials from satisfied customers—just to prove to you that every statement we make is correct.

All you need to do is to sign and mail the coupon, and the patterns will be sent by return mail. If you don't want to cut the paper, write a postcard or letter, and we'll send the patterns just the same, but to get them you must mention Guelph O. A. C. Review.

"Twas field-day on the campus,

Now this is all the truth:

When Hogarth of the college,

Rigged up a little booth;

And there beneath his awning,

He hustled all the day,

To undersell the Mac girls

And make his fruit-stand pay.

His ice-cream cones were just as good,

Though not filled quite so full,

But in spite of all his efforts

He seemed to lack the "pull";

For the girls who sold the dainties,

In the tent across the way,

Had that smile down to a science,

That makes a fruit-stand pay.

Prof. W. Day—I have square feet, you see (cheers)—well, I can't help it.
