Packard Lamps

Already many of the largest contracts for incandescent lamps during the coming heavy lighting season have been awarded this company.

Of course there is a reason for it and that is -the superiority of the lamps.

Tests from open market stocks always result in favor of Packard Lamps as embodying the factors of long life-sustained candle power-small current consumption.

The *ultimate* economy of Packard Lamps should commend them to every user.

Let us send you a sample barrel.

THE PACKARD ELECTRIC CO., LIMITED
MONTREAL-QUE. ST. CATHARINES, ONT.

When in the market for Transformers be sure and let
our Type "G" state its own case.
