I CURE FITS!

Wife of a man who had been afflicted with fits for many years, and who had been treated by all the best medical men in the world, and who had spent thousands of dollars, and who had been told that he would never be cured, writes to me that she has been cured by the use of my medicine, and that she has been able to do her usual work, and that she is now as well as ever. I have cured many others in the same manner, and I can cure you if you will give me a trial. My medicine is sold everywhere, and is the only one that will cure fits. Write to me for a free trial bottle, and for a full list of my medicines. My address is 1000 Broadway, New York City.
