SOLD TO THE DRUG TRADE ONLY

We truly believe no line of odors made in this country has become more popular than ours have, and no department of our business has increased more rapidly than that of Perfumery. We know this increase is due entirely to the fact that while our prices may be higher than some others, our quality is of one standard—the BEST, and that only.

Fine Perfumes must possess three distinguishing characteristics:

1st—Fragrance in abundance without being loud.

2nd—Delicacy with sweetness and freedom from sharpness.

3rd—Permanency and lasting qualities.

Our odors possess all of the above good points, and retain their fragrance and delicacy indefinitely.
