AN ENTIRELY NEW WORK

BY FRANCIS PARKMAN

The Eminent Historian

**A Half Century
OF CONFLICT**

In two vols., 8vo, Cloth \$5.00

This work, upon which Mr. Parkman has been engaged for a number of years, takes up the narrative at the close of the author's "Count Frontenac and New France Under Louis XIV.," filling the gap between that work and "Montcalm and Wolfe." It completes the series of historical narratives, "France and England in North America," the publication of which was begun in 1865.

BAFFLES

HUMAN CONCEPTION

Nature's all-powerful healer is discovered and when imbibed freely radiates the arterial network of the body, absorbs and rushes off all effete, deadly poisonous matter. Also it contains all the sixteen elements of ripe molecular life, builds every weak part, restores nerve and vital power, is the sunshine of life, the wonderful. So say all that use St. Leon Water.

FIFTH EDITION

Armstrong's OF
Arithmetical
FOR **Problems**

Senior Classes in Public Schools, and
Candidates for Entrance to High
Schools and Collegiate
Institutes.

This edition contains nearly 900 Problems. The Entrance Papers from JUNE 1880 JUNE 1892, both inclusive, are appended, also the Public School Leaving Examination Papers for 1892. The answers to all the Problems are given. No other work possesses these features.

Read What Teachers and Inspectors Say of it:—

I am highly pleased with your Arithmetical Problems for Senior Classes. It suits my Entrance candidates exactly. A book such as this is needed by every Fourth Class pupil.—GEO. KIRK, Head Master M.S., Chatham.

I have just examined your Arithmetical Problems for Senior Classes. The problems are very suitable and the collection must prove very valuable to teachers. I heartily commend it.—G. D. PLATT, B.A., P.S. Inspector, Prince Edward.

After a careful examination of your "Arithmetical Problems for Senior Classes," I find them well graded and very suitable for the purpose intended. The teacher who uses them for home or class work, will save himself a vast amount of labor, and in all probability secure to his pupils much better results.—J. S. DEACON, Inspector, Halton.

I have no hesitation in saying that for the purpose for which it is intended the work is infinitely the best with which I am acquainted. Its strong point, to my idea, is the logical sequence in the problems by which the pupil is almost insensibly led on step by step until he reaches quite a difficult style of question. The printer, too, has done his work very well, and there are but few typographical errors. I shall certainly recommend every teacher in my inspectorate to use a copy.—J. C. MORGAN, M.A., Inspector, Barrie.

Do You Want to Make Some Money

DURING YOUR VACATION?

A good opportunity presents itself by taking an agency for the

North American Life Assurance Company

OF TORONTO

If after a trial you prove successful, you can make a permanent contract on advantageous terms with this Company. The North American Life Assurance Company has a magnificent record for the promptness with which it has paid its death claims. Its plans of insurance are especially attractive and easy to sell, in fact, an active agent can probably do more business in one month on the **Compound Investment Plan** than could be secured in three months on the old-fashioned ordinary plans.

It must not be overlooked that the North American Life Assurance Company is a successful Company, has ample assets, and has a larger surplus in proportion to its liabilities than any other Canadian Company, and is therefore well worthy of the confidence of the people of the Dominion.
