

**WAKING UP HIS WORSHIP;**

OR, A MATTER THAT BADLY NEEDS INVESTIGATION.

addressed me, 'Cab, sir?' I said, 'yes, if you like.' 'Where to.' said he, 'Anywhere you like,' answered I. After having driven about for some considerable time I thought it was about time that I and my 'Jehu' should part company. I instructed 'cabby' to draw up at the first restaurant we should come to, which he did. 'What will you take?' said I, as I alighted from my 'chariot.' Without waiting for his answer I entered the bar, passed out at the opposite door and left 'cabby' to order and pay for his own drinks. I suppose he would charge his next fare double to make up for what he had lost through my 'patronage.' That is, you see, the method I adopt. "I am seriously thinking," said Augustus to us, "of writing a pamphlet entitled 'How to live on the 'Cheap,' or the Crack-pot Swell."

**A SERIOUS JAR.**

If Jem is the same as Jim,  
And G sounds the same as J,  
Then between a Gem and Jim and Jem,  
What is the difference, pray?

We read about Gem Jars,  
Jars made for holding jam,  
Then are these Gem jars Jim jam jars,  
(Be calm, my soul, be calm.)

Jim-jams is a modified way  
Of saying *delirium trem*:  
And the jars of a fit of the "blues,"  
Why, nothing can equal them.

I've wrested this problem through,  
And my conclusions are,  
That the jar, be it Gem or Jim or Jem,  
Is a *delirium tremens* jar.

So, however you praise them up,  
(I own the conclusion's sad)  
These jars for jam, or the Gem jam jars,  
Can be nothing else than bad.

So alter the name at once,  
For discussion this weather's too hot,  
And call the Gem Jam Jar, instead,  
The James Preserving Pot.

But if folks are opposed to this,  
As many doubtless are,  
Then let the jar have its pames in full,  
As the Jim Jem Gem Jam Jar.

Takes a woman for ingenuity. A Cleveland girl who had a new bonnet she wanted to show contrived to get herself called as a witness on a case she knew nothing about.—*Boston Post.*
