

"Approval by Commission

8. For the purposes of this Act, a tariff, patronage contract, arrangement, agreement or contract shall not be valid unless and until approved by an order of the Commission as just and reasonable and in the public interest as defined in section 16 of the National Transportation Act; any tariff, patronage contract, arrangement, agreement or contract so approved shall not continue valid beyond a day six months next following the day the order is made or that day specified in the order as the day of expiration, whichever is the sooner."

and by renumbering subsequent clauses accordingly.

And the question being put on the said motion it was negatived on the following division:
