

INDEX

[Text] I know the chairman would like to thank you, but on behalf of one of the people from Ontario, and Dr. Harry Brightwell as well, you know we may have different views at times, but we are looking at this problem, it is a momentous problem, sure everyone is looking at it, Mrs. Harkin, the Standing Committee on Finance and Economic Affairs, you will make a presentation on the subject of tax issues in Agriculture.

Foreword

- 1. The Institute
- 2. The Farm Sector
- 3. Critique of the Discussion Paper
- 4. Taxation of Farmers
- 5. Effect on Land Values
- 6. Recommendations
