#### INQUIRY AS TO REPRESENTATION ON NATIONAL BOARD

On the orders of the day:

**Mr. J. M. Forrestall (Halifax):** Mr. Speaker, my question is for the Minister of Transport. I should like to ask the minister whether the government or his department are considering a change in the structure or the makeup of the National Harbours Board to include a representative from the port of Montreal?

**Hon. Paul Hellyer (Minister of Transport):** This suggestion was made by the Montreal port commission, Mr. Speaker. It will, of course, be given the usual careful consideration. I have no idea yet what attitude the government might adopt.

**Mr. Forrestall:** May I ask a supplementary question. If there is any tendency on the part of the government to follow that course, will they give equal consideration to representation from Halifax and Saint John?

**Mr. Hellyer:** Halifax already has a representative on the board, Mr. Speaker.

**Mr. Forrestall:** Is that an admission?
