Memorandum on proposed plan for women representation on the Committee of the Department of Physical Education.

In order to provide special and adequate representation of women's interests in the Department of Physical Education it is proposed that,

1. A special Committee be formed the sole duty of which shall be to deal with all Physical Education questions, including health and hygiene concerning women.

The composition of this Committee shall be:-

1

Director, Department of Physical Education. University Medical Officer. Warden. R.V.C. Physical Director for Women.

Questions arising for discussion shall be referred to this Committee.

2. The Physical Director for Women or the Warden of the R.V.C., or both to be invited to attend meetings of the Committee of the Department of Physical Education when special questions concerning women's interests are to be discussed.

3. The Physical Education Staff for women to be responsible to the Physical Director for Women on all matters of policy and administration.

A plan showing the relationships is as follows:-

CORPORATION.

Dir. Dept .---- Phy. Edn. Staff for women.
