

The First Edition of the work received a generous support, as well from the Legal Profession as the great body of the Municipal Councillors and officers of Upper Canada. It is hoped that this Edition, to which the Editor has devoted much thought, will be equally well received. The delays which have occurred in its issue were unavoidable, and to some extent rendered necessary by reason of the Editor's great anxiety to make his work simple in its language and reliable in its exposition of the law. The work is intended not merely for lawyers, but for men unacquainted with the niceties of law. Most of the notes are therefore written in a popular style, and as free as possible from legal phraseology.
