

Blackader, A.D.

No. W

1896.

NOTES OF A CASE IN WHICH MARKED
ENLARGEMENT OF THE LIVER, AS-
SOCIATED WITH SYMPTOMS RE-
SEMBLING THOSE OF TYPHOID
FEVER, OCCURRED IN A YOUNG
CHILD.

By A. D. BLACKADER, M.D.,

Professor of Pharmacology and Therapeutics, and Lecturer on
Diseases of Children, McGill University, Montreal.
