M'GILL WIN EASILY

Ottawa College Were No Match for the Montreal University.

Quility played a good game at ceutre half for Ottawa and Rillington of MeGill could punt an equal length and got better protection from their wings meh.

The game was not apparently a rough one, but there were a number of casualities. Allan Johnston, the McGill captain, got kicked on the head in breaking up a buck and was carried off. His injury is not dangerous but the blow was a naety one and will take some time to heal. Risteen, a new recruit, who was playing inside wing for McGill, twisted his knee in a scrimmage and had to retire, and Jimmy Lee, another of the locals, met with a similar accident. Cornellier was the only visitor to suffer, twisting his ankle in the second half. Sheehy took his place.

The accidents gave the McGill students a chance to see two old favorites, who had announced their retirement, but were persuaded to change their minds, Dan Gilmor and Mike Turnbull being in line again. Gilmor, who was being held in reserve for the Toronto game next Friday, met with a nasty accident, breaking his thumb-bone, and had to retire. It may mean that the Toronto boys will line up against a McGill team minus its most formidable line-plunger.

Play started shortly after three o'clock, the teams and officials being:

McGill: Murray, Billington, Ross, Lee Paisley, Oliver, Rogers, Brice, Risteen Johnson, Waterous, Bignall, Lewis, Lawry.

WARKWORTH, Oct. 7.—(Special.)—
An Italian, who was working in a sewer along the line of the Trent Canal near Campbellford, was buried by the sides of the sewer, which was ten feet deep, caving in. Help was at hand and he was taken out in a few minutes, but sand and dirt had entered his lungs and he died shortly after being liberated.

Liverpool, Birmingham and Westminster. Two new dioceses will also be formed, one out of a portion of Liverpool and the other out of the actual diocese of Northampton. With its see in Cambridge. Thus the great See of Westminster will be considerably reduced in dignity, as, instead of having fourteen suffragan sees, as now, it will like only four.

Toronto Hunt Loses To Buffalo Poloists

Visitors Spring Surprise and Wir Third Match for the Averill

MONTREAL, Oct. 7.—McGill outplayed Ottawa College in the opening same of the Intercojlegiare season here this afternoon and won by a score of 30 to 5. The local back division outkloked and outrain Father Staunton's defence, while the red and white forward line outclassed the visiting wing line at tackling. The Ottawa team worked together better than the McGill squad and pulled off a couple of trick plays, which brought forth the appleause of the crowd, but, it was evident that Coach Staunton has not as good material to work with as have the McGill coaches.

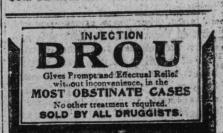

In the international polo match at the Woodbine Saturday afternoon for the Averill Cup. Buffalo sprung a surprise on Toronto and took the jewelry home with them. Toronto had won the cup twice before and another win would have made the cup theirs for keeps, but Buffalo was too fast for them. A large crowd of enthusiasts lined the sides of the field and the cold weather made the "going" fast. Toronto was first to score, but the Buf-
