Witness replied in the negative to Mr. Shepley's question if the North American had promoted subsidiary ing total profits \$352,113.98, total loss \$190,845.94, net profit \$161,268.04. Just before closing time Mr. Shep-ley commenced an investigation of The employment of agents and canthe company's stock holdings and past investments. Bank stocks were most vassers was the next point touched. the company's The commissions between non-partici-pating and participating policies dif-largely held.

LOSSES EXAGGERATED.

As for the matter of rebates Mr. More Reassuring Statement as to Goldman was reticent. He said that Forest Fire Ravages.

Goldman was reticent. He said that practically every agent gave rebates. The practice was known to be wide-spread. He gave an example of a Toronto man who had a large policy in three different companies in three successive years induced by rebate propositions Marinette, Wis., May 21.-All danger from forest fires is past. It rained to-day, and the wind died out.

The loss everywhere is believed to have been greatly exaggerated. The Mr. Goldman, "could not stop rebat-ing single handed. If they lowered their commissions on an intervent of the more than the more the more than the more the more than the more than the more the m

ing single named. If they lowered their commissions so as to prevent their agents from rebating they could not compete with other concerns. He was opposed to the practice on the ground that it tended to reduce the persistency of the business and raise the cost of the prose wrong 000 The total loss in the burned area will not be more than \$200,000.

KAISER THANKS VON BUELOW.

persistency of the business and raise the cost. It resulted in gross wrong to part of the policy. "The manager," said Mr. Goldman, "who does not believe that rebating exists among the agents of his com-pany is too innocent to be at large." Mr. Goldman explained the extension of the company. The company had started in Nova Scotia and New Brunswick before business was com-menced twenty-three years ago in the
