in proc. and more, difficult as the night wore on. Until a very late he night wore on. Until a death in that paper, it also published inso people armous to get seats at the street exhibited unmistakable signs of intention to sit up all night in the hope of securing a free colon of vantage from which to view homewore well busy putting the finishing touches to the abbay, and its approaches and every detailed of this work was watched exceptly by the speculation to the control of the part of the work was watched exceptly by the speculation of the proposed Dark loads and the control of the part of the second of the part of the part of the second of the part of the part of the second of the part of the pa

comments as follows:

"Every one who follows oriental affairs is aware that every step of Russia since the Chinese wear has met with their shortened slumbers to find the great event once more postponed.

Had to Hire Court Dress.

Among the many incidents of the night, one of the most curious occurred at Scotland Yard, where a Scotch magnate (probably Carnegie), who had received a sudden telegraphic invitation to be present at Westminster, Abbey, with the proviso that he appear in court dress, appealed at a late hour to the police to help him hire or borrow the clothes necessary for substitute, and underlying this intensity of expectation there is fairs as sware that every step of Russia, since the Chinese wear has met with the rever increasing opposition in Corea."

"The greatest danger for Russia," says this writer, "would be for England and Japan to establish a naval station in the south of Corea, which would cut Vladivostok off from Port Arthur."

He fears the agreement of 1900 for bidding any such station would not prevent some British company under cover of commencial rights from building above, cannon, foundries, etc.

It is the should awaken from the corp of a sancroft, Aug. 8.—In the crop of a hen, which she killed last week, Mrs. J. B. Cleak of this village found a gold nugget about half the size of a small bean.

GOES TO SEAFORTH.

Seaforth, Aug. 8.—Miss L. M. John-bidding any such station would not prevent some British company under cover of commercial rights from building docks, cannon, foundries, etc.

It is the court of the proviso of the many incidents of the size of Russia."

Bancroft, Aug. 8.—In the crop of a hen, which she killed last week, Mrs. J. B. Cleak of this village found a gold nugget about half the size of a small bean.
