Evening.—Final Bouts To-night.

The sixteen preliminary bouts on opening high of the city amateur tournament in the Mutual-street Rink were followed by nineteen on the holiday—eight in the afternoon and eleven at night—and still there are thirteen on the card for decision of final night. There was a good matinee atendance, and they were amply repaid by good milling. The feature at the evening show was the attempt of some gamblers to pull off a good thing, Tommy Sitton making a raw attempt to throw his contest to Wilfong of Berlin, Referee Bennett was applauded for declaring its necontest, after Sutton faked for about it segonds. The sure thing players had all sorts of money, offering 3 to 2 when the gong rang.

They were all clever bouts at night, with the welterweight and heavyweight mills probably the best, Peters showing clever work to get a decision over Higgins. Banks had to do his best to defeat Baker. D. McMahon scored another for Cobourg by defeating Smiling Joe Tusting for Tommy to be shown of the following is a second win in a fast mill with Williams of the Dons. Abbie McGrady and A. Tuckwell had each none too much to spare on Sharp and James Trayling. H. Lang and Joe Trayling won their bouts easily.

The first bout at the holiday matinee

In this race last year only two men ran under 13.55, but this year sixteen men managed to finish under this time, which proves that West End harriers will be able to duplicate their performance of last year and win every team race. The order of the finish was as The first bout at the holiday matinee was in the 105-lb. class. Williams of the Woodbines was on against Kelso of Long, acre Club. Williams won in the first round, as he clearly outclassed his oppo-

nent.

The next mill was in the 118-lb, class, but it was a very short affair, as McMahon of Cobourg knocked out Maguire of the Longacres in the first round.

In the 112-lb, class, H. Abley was on against J. Sullivan, Dons, and got the decision after three hard rounds of clever milling, Abley's leading winning the honors for him.

Next was the 135-lb. class, but it was also a short but whirlwind affair, as F. Deaver of St. Kitts knocked out E. Wil-

Deaver of St. Kitts knocked out E. Williamson in the first round.

The next bout was a clever affair and lasted three rounds. Both boys were willing and aggressive, and J. Anderson of West End was lucky to get the decision from his opponent, E. King of the Kelso School.

The first in the 158-ib. class brought tout C. Campbell and J. Sullivan, but it only lasted two and a half minutes, as Sullivan repeatedly fouled Campbell and would not box according to rules, and campbell was given the decision.

The next set-to was in the 135-lb. class, and it lasted two rounds, as Sharpe stopped H. Marsh in that time with well-directed swings,

-Inability to hit the pitching of Frank Smith, the former Cincinnati twirler, resulted in the defeat of the Toronto Club at the hands of the Harrisburg (Tri-State) team this afternoon in a first-class contest by a score of 4 to 1.

Smith was in fine form, allowing the Toronto boys but four hits and shutting them out until the last inning, when Gettman singled and scored on Phyle's triple to right field. The Harrisburg batters found both Kilroy and Mitchell at opportune times, scoring two runs in the first on a base on balls, Selbach's double and Huelsman's single. Another was added in the second on Knott's single and Phyle's error and a fly to the outfield. Mitchell replaced Kilroy in the fifth, when singles by Calhoun, Huelsman and Weimer netted another run.

The Toronto team was shut out with only one hit intil the eighth innings, when Wotell broke the string which seemed to be attached to the Torontos' bats. The visitors presented a patchedup team, with Phyle playing first base in place of Grimshaw, who has been compelled to go to his home on account of the serious illness of his wife. The
